Frank Sinatra
Hollywood, California

Dear Frank Sinatra

I have written the FBI that Sinatra Richard Rodgers died I will position Frank Sinatra with my threat to him in self-defense. My statement in July of 1980 will be that I want to kill Frank Sinatra, singer, in self-defense because he is co-conspiracy to steal FBI tapes of my music partnerships, and wealth, with other who stole.

I have a proposal for Frank Sinatra to avoid the sensationalism of murder in self-defense

1. Frank Sinatra must name the FBI agents who were involved with the partnerships and state, and particularly the FBI agent who organized the theft and stole most of the wealth. Included, I want a statement about the theft. Therefore I will position the ego-maniac thief who organized the theft as law courts and attorneys will allow and Frank Sinatra will not be the one I state I must kill in self-defense.

2. I want $200,000 from Frank Sinatra for my

attorney's fees to eliminate murder in self-defense and sensationalism. All that 200,000 will be deductible from your financial settlement with me when it comes because of the partnerships and money stolen.

3. Or I want $400,000 for attorney's fees and other expenses. Also $400,000 will be deductible from a financial settlement with you. And because of the increased amount of money, I will give you a better financial settlement on the stolen partnerships and wealth.

4. If more than one partner wants me to go to court other than murder in self-defense, I want from you and others a total of $500,000 expense which is deductible from financial settlements in the theft of partnerships and wealth.

5. You should not contact me by mail because my mail is not secure. Your attorney should call me on the phone — [redacted], or come to my home to arrange a meeting in New York City to work out matters. I include here.

If Frank Sinatra agrees to nothing, I will put up my life at the FBI in July of 1980 regarding him.

Frank Sinatra and other partners should know that I was never a communist. It was and is a set-up and cover up of the FBI agent who organized the theft and stole most of the wealth. Also I was never guilty in the security of the [illegible]. It was also the set-up and cover-up of the FBI agent who stole most of the wealth. (b7C)

In addition [redacted] never received any money at all from anyone, or the partners, or the partnership, and I never signed any [illegible] ever regarding the partnership or money, and I never met anyone involved with the partnership.

Furthermore I want a financial settlement with Frank Sinatra (and others) before I put up my life in self defense. A better financial settlement will be given by me that way.

Note that I have a good grasp of what happened regarding the theft.

I believe that the ego-maniac thief who engineered the theft and stole most of the wealth will not go [illegible] with a court case and will try to settle [illegible] I have [illegible] attorney and a good law

I don't need $500,000 for a court case, but I have

b7C

2 [redacted] who is the partner of Frank Sinatra and others, and he is the truth ing the ego maniac thief. Therefore, I want some financial security for him and me before all financial settlements are made regarding the theft of tapes, music, partnerships, and death.

Nothing in this situation is secure for anyone, but I believe I can win the case of the theft.

Again, I will come to a sensible financial settlement before courts are involved with anyone who wants to make it with me.

If my terms are accepted, my trust with attorneys will be directed toward the ego-maniac thief without the sensationalism of murder in self-defense and will be directed to a fraudulent partnership.

Respectfully,

Dear William Webster,

I am [redacted] Brooklyn, N.Y. My social security number is [redacted]

Since Richard Rodgers, composer, died in Dec. 1979, I am changing my position in self-defense.

This letter is not a confession to kill Frank Sinatra, singer, in self-defense.

I state that I have a confession to kill Frank Sinatra, singer, in self-defense and a 50 page statement about the theft of FBI tapes and records which include my music partnerships and wealth, since Frank Sinatra is co-conspirator to steal my music, partnerships, and wealth which was stolen with others, also.

This confession and 50 page statement is in a safe deposit box in the American Savings Bank at Kingshighway, Brooklyn, N.Y.

This confession and statement will be [illegible] the FBI in Washington, D.C. in July of 1980, if their [illegible]

39 MAR 17 1980

The ego-maniac thief who was an FBI agent organized the theft yet threatnes me via police and mental institution to prevent me from taki action to recover the wealth stolen and placing him prison. If a policeman with a set-up puts me a hospital, I will tell every doctor that I wa to confess to a crime which is my confession stated here, but will tell only a legal FBI ag

If the FBI has failed to obtain the reason fo the partnerships being offered by me on taps, I giv explanation. Since, in 1954, I thought commie or spies were following the FBI & me and sina was concerned for the FBI investigation which I di not understand I thought that my music sh be checked. If my composed music was good then the FBI would have a clearer idea if commies were around. Consequently I wrote mu and offered a partnership because of my ambit

Also, I was never a communist, and I joined the communist party ever. The thief stole most of the wealth from the partners for his cover-ups has set me up as a member the communist party, and also because he has follow thru with his set-up of me as a gu

man in the security of the M.S.D., with which I failed but still accuse.

The reason I delayed in my position, which I wrote would be July 1979, is that the FBI knew my position in self defense and since I told it plan everyone who could has a better intelligence and position to understand the theft.

I am enclosing with this letter another letter to Frank Sinatra, which is my proposal and position. I want the FBI to give my letter to Frank Sinatra. I do not know his address and can not contact Frank Sinatra by mail.

PS. The trouble I have [redacted] megalomaniac thief who stole most of the wealth is being arranged for me [redacted], and others in my family. The thief described decided on the violence. [redacted] is not only my heir he is the legal partner of Frank Sinatra, Richard Rodgers, and others, and the children of the partners.
