Alleged Threat To
Senator Edward Kennedy
[redacted]-Complainant

On August 15, 1968, [redacted] Brooklyn, New York, advised he is employed by the Quick Frozen Foods Magazine, 1776 Broadway, New York City. b6 b7C

[redacted] stated he had lost one leg in the recent past and suffers from severe pains in his shoulders. To overcome the pains he is in the habit of drinking heavily, and often times while drinking, he worries about his personal problems as well as national and international problems. He said that when in this frame of mind, he frequently calls or writes the Federal Bureau of Investigation (FBI) and other agencies presenting his thoughts regarding the particular problem bothering him at that time.

According to [redacted], he has written the FBI on two occasions warning of leaks in that organization. [redacted] was pressed for any information which would indicate to him there was such a leak. He said that on one occasion an individual made a comment to him to the effect that "Some people in the neighborhood don't want any feds around." He said that this statement was made subsequent to a phone call he had made to the New York Office (NYO) of the FBI in which he reported a conversation he had overheard in a bar room. He explained that after giving thought to the above, in his opinion, it did not constitute a leak and was no more than a coincidence. b6 b7C

ENCLOSURE
94-55752-68

Alleged Threat To
Senator Edward Kennedy
[redacted]-Complainant

[redacted] continued that about eight months ago he wrote a letter to the New York Office, FBI denying a local rumor that he had sold out to the mob. He said that sometime after that he overheard a conversation relating to the contents of his letter to the FBI. [redacted] was questioned as to the details of the conversation he overheard at which time he admitted the letter to the FBI was not mentioned in the conversation, however, the rumor that he had sold out to the mob was discussed. [redacted] continued that his previous statement that there were leaks in the FBI were not supported by facts and he possessed no specific information of any such leaks. b6 b7C

[redacted] was questioned if he had any information of a threat against Senator Edward Kennedy at which time he furnished the following information: b6 b7C

While at the Stanley Erickson American Legion Post, Brooklyn, New York, he met an individual by the name of First Name Unknown (FNU) [redacted] who was not a member of the post. He explained that he had met [redacted] at the post on a Sunday morning at which time the post is open to the general public. [redacted] stated that he had been drinking heavily and apparently [redacted] also had been drinking a great deal. During the conversation which covered many topics, [redacted] made the remark, "We're out to get Ted Kennedy now. He and his family are traitors to the country," [redacted] volunteered that the above statement was made in jest and while both were under the influence of alcohol. He said that he had not seen [redacted] since the same meeting with him on the above occasion. b6 b7C

According to [redacted] he enjoyed writing and calling the FBI as he had always been treated very considerately and courteously on each occasion. He said that he had frequently called the NYO while under the influence of alcohol. b6 b7C

[redacted] was asked if he had any additional information which would be of value to the FBI and he stated that he did not. He mentioned that he would like to work with the FBI in an undercover assignment and it was explained to him that there was no need of his assistance at this time.

On September 1, 1968, [redacted] INFORMANT, [redacted], Chicago, Illinois, advised that his wife and himself had heard on Channel 7 Television, Chicago Station WBKB-TV, at about 11:10 p.m., September 1, 1968, what they believed to be a short-wave message to the effect that the assassination of Edward Kennedy was planned. This message was described as only of a momentary nature and the exact text was not known. [redacted], Melrose Park, Illinois, also advised that he had heard what he believed to be a short-wave transmission on this same television station with words "assassination" and "another Hitler" being spoken. On September 2, 1968, CHICAGO, ILL. Master Controller [redacted], Television Station WBKB, advised that he had just completed a monitor of their television program entitled "Three Dangerous People," which had been made available for viewing in Chicago at 11:00 p.m. on September 1, 1968. Mr. [redacted] advised that at 11:18 and 35 seconds p.m. in that show technical difficulties at the television station had produced brief static and an audio override of some of the sound from a tape recording which was being prepared for the show entitled "Garrison's Guerrillas" for showing on September 3, 1968. [redacted] explained that because of this difficulty the words "assassination of Hitler" were heard on the audio portion of "Three Dangerous People." Mr. [redacted] advised that this undoubtedly was the technical difficulty referred to and stated that there was no mention of Senator Edward Kennedy or any interruptions or interference in this show, other than that reported above.

Dear Senator:

Excuse me for reminding you that I had warned your two brothers that attempts on their lives were being prepared. I have already written you a few letters to the above address but I had never had a reply. I had cautioned your brother J.F. Kennedy on November 19, 1963, and I had cautioned your brother Robert Kennedy on March 21, 1968. If you listen now to Hubert Humphrey, the Vice President, who wants you to be Vice President when he will be elected President and [if] you undertake something against President L.B. Johnson, either to stop the war in Vietnam or to protect the Black, then be careful, because you, too, will be sent to Kingdom come. I kindly ask you to reply to me and to let me know whether or not you have received the letters prior to this one. I will be very happy and satisfied, if you could let me know, whether

[redacted], age [redacted], who is from Maryville, Tennessee, was interviewed by Agents of the Boston Office of the Federal Bureau of Investigation (FBI), and it was determined that [redacted] had a rambling, incoherent story apparently given to him by one [redacted] (phonetic), proprieter of the Golden Sun Restaurant, Knoxville, Tennessee. b6 b7C

[redacted] related that [redacted], identified by [redacted] as a nephew of Greek shipping magnate, Aristotle Onassis, advised him that [redacted] reportedly a brother of Aristotle, planned to assassinate Sentator Kennedy in Hyannisport, Massachusetts, during the week of Christmas, 1968. b6 b7C

[redacted], who constantly stated he was in fear of his life for divulging above information, stated he learned of this plot approximately eleven days previously and, without bothering to pack a suitcase or change his clothes, he took a bus from Tennessee to Washington, D.C., in an effort to personally give the information to Sentator Kennedy. He was unable to do so in Washington, D.C., and took a bus to Boston where he went to Senator Kennedy's office.

[redacted] stated he was interviewed at the YMCA, Boston, by some individuals who identified themselves as Secret Service Agents, but he believed they may have forged their identification. It was noted that several b6 b7C

SUBJECT: DELIVERY OF UNITED PRESS INTERNATIONAL ITEM TO THE DIRECTOR

You indicated that the Director wished to be advised why a United Press International (UPI) item was seen by Mr. Tolson before the Director saw it. The item in question reflected that Senator Edward M. Kennedy had unseated Senator Russell Long for Assistant Senate Democratic Leader.

This item was received on the UPI machine in our Teletype Room at 11:38 a.m. today. The original which is attached was time-stamped in the Director's Office at 11:47 a.m. The copy, also attached, was received in Mr. Tolson's Office at 11:48 a.m. The messenger run which delivered these messages is set up on a seven minute interval. The messenger picks up material in the Teletype Room, stops at Mr. Bishop's Office to see if there is anything for the Director and immediately delivers all material he has to the Director's Office. After leaving the Director's Office, if he has anything from the Director's Office for either Mr. Bishop or the Teletype Room, he leaves this off en route to Mr. Tolson's Office. If the Director's Office has nothing for Mr. Bishop or the Teletype Room on that particular run, the messenger proceeds straight from the Director's Office to Mr. Tolson's Office. It appears that this is what happened on this occasion.

On 1-17-69, the Public Information Office of the Department of Justice advised the Crime Records Division which was subsequently furnished to the General Investigative Division at 7:12 p. m., that they had received information from Senator Edward T. Kennedy's Office to the effect that one [redacted] S. E., Washington, D. C., who described himself as a white male, five feet nine inches tall, 174 pounds, brown hair and eyes, had called the Senator's Office and advised that he was going to get Teddy Kennedy someday. Department advised that in view of the ceremonies to be held 1-18-69, in the Justice Court Yard, they had notified the Justice Building General Services Administrations guards.

b6

On 1-17-69, at 7:26 p. m., Mr. [redacted] Duty Agent, Secret Service, was advised of the above information. Special Agent John Burns, Washington Field Office, was subsequently furnished the above information. He indicated that they had had this information furnished to them by General Services Administration earlier. ADDENDUM: GENERAL INVESTIGATIVE DIVISION 1-18-69, WAF:erg

Mr. [redacted], Inter-Divisional Information Unit, Department of Justice, Extension 2364, called at 10:10 a.m., 1-18-69, to inquire if we knew whether there is a [redacted], or whether we were making any inquiries in this regard. Burns was told our only information in this matter came from the Public Information Office of the Department; that we had no information of the existence of such a person and that we were making no inquiries as there is no Federal violation in our jurisdiction. In addition, he was told that Secret Service and other appropriate local agencies had been alerted to this threat. Since [redacted], is an extremely common name and there is inadequate background and description available, it was not possible to make a meaningful check of Bureau files as there are hundreds of references on persons with the same name.

GENERAL INVESTIGATIVE DIVISION

Attached concerns a threat received by Senator Kennedy's Office from an individual known to the Secret Service as having previously made unfounded threats. We received original information re threat from Department, 1/17/69. Appropriate local authorities were advised of the threat immediately at Seat of Government level and by WFO.

UPI release 1/18/69, indicated Fairfax County Virginia Police at the request of the FBI, had ordered a patrol car to remain in the immediate area of Kennedy's McLean, Virginia home "until further notice."

Our Richmond Office was not involved in this matter and attached indicates WFO upon inquiry by Fairfax Police Department merely related facts of the threat and gave no instructions whatsoever as to how local authorities should handle same.

RE: [redacted]
Vienna, Virginia

B. Approx: [redacted]

b6
b7C

On March 4, 1969 [redacted] Vienna, Virginia, age [redacted] advised a Special Agent of the Federal Bureau of Investigation that he is a student at The George C. Marshall High School, Falls Church, Virginia. He said he is employed part time as a bus boy for the Evans Farm Inn, 1696 Chain Bridge Road, McLean, Virginia.

He acknowledged telephonically reporting having overheard another bus boy state he had sent 50 letters to Senator Edward Kennedy and that if he were caught he (the other bus boy) could "get life," and that because of this statement he assumed the letters were of a threatening nature.

[redacted] advised that he actually did not overhear such a conversation. He said that on February 9, 1969, as he approached the kitchen table where employees eat at the Evans Farm Inn, he overheard a word or two of a conversation between two other bus boys in which Senator Kennedy's name was mentioned. He said he endeavored to join in the conversation but does not get along well with other bus boys and they left the table.

ENCLOSURE

RE: [redacted] b6 b7C

He later complained at home about the other bus boys being anti-social. To support this complaint, he made up the story of having heard the boy say he had sent 50 letters to Senator Kennedy and the assumption they were of a threatening nature, which he told his father. His father insisted that he call the FBI, which he did.

He said he wanted to retract his telephone conversation and apologized for having caused trouble. He advised he now realized the serious nature of his falsehood but had not considered the possible consequences. He said he had admitted this to his father. He said he has not worked at Evans Farm Inn since February 9, 1969.

[redacted] was reprimanded and cautioned against making false statements to law enforcement officials. b6 b7C

Pres Nixon continues secret apart-hate promotion of Kennedy-Johnson.

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 03-18-2010 BY UC 60322 LP/STP/SZ

This is a D.C. Scroll. It is the latest in an eight-year-long series of letters written by me, reproduced by me, and mailed and given away free by me that have recorded the true, officially-hidden facts of this time. I have lived these facts, documented these facts, and presented them in the face of a secret and savage resistance by the total U.S. "establishment". The "victim" of this account isn't me--but you if you have been so brain-washed by the "news-media" that you cannot consider, or will not enquire about, or accept these accounts about living people or their survivors who are silent because they cannot refute the accounts. History is being raped by the total U.S. leadership!

Forget civil rights! They have long since been lost to all. The Nixon administration got a hush-money raise from the pen of the Kennedy-Johnson clique. L.B.J. is still in command--and Christ is Angry! Rev 14:9-11

There have been no true revolutionaries on the scene. All are "Toms". All have been and are self-promoting deceivers and publicity hounds. These letters support the History of this time that God wrote over 1,800 years ago in the Book of Revelation. The same prophecies are written in the Old Testament--and inspired, I have presented them. Many false "prophets" have been advertised to hide me. I challenge them.

(But God changes Weather for me.)

Think!

[redacted]

Subject: I Expose the Devil's Phonies.
(Written to challenge the sponsors (of "Negro History Week" and their diabolical "white" allies-in-crime.)

Anacostia (Ghetto) D.C.,
February 10, 1969 (Mon.)

"Prize-winning Newsmen" Know me - but can't report it.

Open Letter to the "History Panel" at Arena Stage; Censored!

Greeting! I challenge you to publicly challenge any item on or attached to this sheet. Challenge it in my presence and give me a chance to reply--or shut up about the "greatness" of your devilish masters! Crawl back to your mink-lined holes and count your damned blood-money while there is yet a little time. Repent--or go to Hell!

(1) Let us skip Booker T. Washington, etc. Nobody living can really know what he and Abraham Lincoln were really like. But I who was out-lawed by the late President John F. Kennedy as a political favor to the Eisenhower-Nixon administration have proved he was a phony as is his recently-dead brother Robert F. Kennedy who presided over the revocation of my driving and hacking permits. Christ killed the deaths of both--after I warned them by telegram and letter in His Holy Name! So why am I hidden and these phonies are made gods? For Satan! Come on, Dr. Schlesinger! Make me show you the correspondence! Or are you "chicken" as well as a damned liar? (Kennedy Worship damned Rev. 13:8)

(2) Let the hog-fat "cats" of the phony Negro-Black-Colored-Afro "middle-class" deny that they sold out the principles of racial, and political, and job equality in that secret conspiracy as early as the Fall of 1961! "Big" jobs for "big" Negroes was the "name of the game" from the first! It was always "Black (Middle-class) Power"! I warned the "Big Ten" on the day of the "March On Washington"--and was ignored by them --on orders from the Kennedy administration! The late Dr. Martin Luther King lied as he orated, "I Have A Dream". He should have said, "I Head A Damned Conspiracy--Against Christ"! These lies were head-quartered in the defiled "churches"--and still are--supported by the total Devil-clergy! I, who Dr. King coldly snubbed from the "March" warning time in 1963, carried Christ's Warning of his 4-day-away death to King and his Washington Cathedral host. But King lied, saying he had been "up on the mountain". Then preached his "own funeral" --telling his adoring, deceived followers how he wanted to be remembered--by saying how he didn't want to be remembered! (5:16 KJ)

It looks like the deaths of those God-condemned [redacted]onies will be "investigated" forever. B[redacted] what in the name of God and "history" makes them more important than the true prophet that warned and defied

Idolatry Angers God!

(Watch Dr. [redacted] Page # 2 (1/7/'69) He's a political animal!) b7C
Subject: The Living Christ Speaks--Again! (See paragraph # bw 7)

Decline and Fall of Washington, D.C.

(3) Press-hidden and denied justice by secret, cowardly agreement between the vile Kennedy brothers and then Vice-President Johnson, the total "civil rights" movement (Yes, Dr. King, too), all political parties, all religions, all "races" (Yes, my own "Negro" race, too), b6 b7C all classes (especially the "middle-class" blacks), and the 3 branches of my government, I described what was happening to America and all mankind in the streets--with inspired-from-the-Holy Spirit letters that most of the recipients tended to "ignore"--and, yet, not ignore! Delivered on foot and with my taxi-cab, they kept the lid on Washington, D.C. by preventing the rise of racist demagogues--and retaining a measure of God-fear in the Ghetto and the suburbs, too. (By Radio WAVA's "Contact".)

But 20 days before my 2cnd "hospitalization", Mrs [redacted] of D.C. License Control revoked my driving and hacking licenses with no charge but allegedly being, "Mentally Unfit to Operate a Vehicle in D.C."!

(Poor! Hear me! Stay away from Government psychiatrists! Christ can heal mental maladjustment. Seperation from His Word causes them!)

I had never had points against my traffic record during 23 years of hacking--and was given no hearing as the law "provides"! How was this possible? President Johnson willed it from the White House and the Kennedy brothers willed it from the U.S. Senate. By threatening to become President, the damned Kennedys have officials and Heads of State afraid of them! But all may relax. Spurn the damned Kennedys! They are in my pocket where Jesus put them. Ted will join his brothers before the Word of God (Rev. 13:5) is mocked--or the United States will pass from Earth!

I warned the Vehicle officials in a letter that Christ was Angered at my mistreatment. God-blessed Motor Vehicle Director George England heard--and resignedhis post (1967.) Former Attorney-General-Senator R. F. K. was sitting on the Senate District Committee "speaking great things and blasphemies" as Revelation 13:5 says of the "seven" heads of the accursed Kennedy "beast". The verse also put a 42-month time limit on the power Satan gave that beast! (I told former President Harry Truman of that limit six days after it was revealed to me in May, 1964. He was visiting in Blair House on his birthday. He fell in his tub in Missouri weeks later when he started to ignore my warning! Ask him.)

Briefly, the city has fallen apart since my cab was taken off the street. Cab and bus drivers have been murdered, all crime is up--up!

I was on top of every major disaster of 1968--world-wide--but the press was not allowed to name me "Man of the Year". Yes, even over the "moon-men"! Christ "said" He'd spare them by Will-inflating that life-raft inside the capsule at launch-time! And He noted the subtle mockery of reading Genesis in space (1st Bible Book) by Willing helicopter # 66 to pick up the astronauts. Revelation is the Bible's 66th Book that the Kennedy-Johnson rebel-clergy has banned from all consideration 4 years! Revelation describes the "beasts", me and my "wisdom" and "understanding", Christ's Wrath, and His Veangeance on the Devil-church and U.S!

In Christ, I "Dug" 1968 the Most!

(4) This paper cannot begin to hold the Wonder I have been given to know for future generations of Christ-conscious mankind--and for you and yours, as individuals if you will "hear"! (Isaiah 28;11 notes me, too.)

I warned Mrs L.B.J. as the president took off on Dec. 19, '67 for Australia and Rome. (Earthquakes hit Sicily and damned Pope Paul is "dead".)

I warned Senior Mr. [redacted] before [redacted] wedding cake chef died b6 heart attack. I told the world of the Miracle of Three Crosses that b7C hung over the assembly during L.B.J. "State of Union" message. A fier one touched the Assembly! (Washington Post, page 13, Jan. 18, 1968.)

I warned Dr. [illegible]

Their "identities" -- as Christian sons of God -- at this miraculous time of a "Negro" prophet! The damned Kennedys and L.B.J. Ted hate leaders to U.S. and substituted selves for Christ!

Anoolee can halt crime, hate and war.

I WAS a democrat until I have met with the Presby. Laymont Inc.

They tell me you are all the damnedt bunch up at that church building - pushing the Kennedy nut, willing to take our taxes for ner-do-wells and chislers that live off decent people who work, training how to riot and sponsoring riots, etc. Little wonder you are going to go for broke!

Senator Bobby Kennedy,
Senate Office Bldg.
Washington D.C.

Damn you - even us Democrats, who have worked so hard for the party, are amazed at your ruthlessless, your "politicking," - (sending your wife down to Bedford-Stuvesyant, etc.), the Alaska bit, etc. God, when are you going to learn that some of us donot want this buying of your way into power and the White House, even if your gloamorous name is KENNEDY?

The very name makes us see red - we remember the ruthlessness, the arroganze, your mother boa sting and bragging, all of the trimmings that make our blood simply boil.

And now you don't even stick to your work at Washington, but have begun already to set your sites (or is it sights) on the Presidency? God, how damnable can you get? Just about as damnable as you Kennedys always are!

I can say right now, you will never live in that W hiite House. Like your two diibolical brothers before you, you will end up on a mound in Arlington Cemetery, and good riddance of all of you! Thank God "the queen" is only another of the Greek gal-friends, instead of sitting on her undeserved pedestal.

Some of us will assure that you will never be President! If Sirhan hadn't gotten Bobby, someone else would have! Believe me! The hate for you Kennedys who try to buy political office the way you buy houses and yachts, is despicable, and you will never, no never, make it to that honored office. By God, some of us have learned well how to SERRCH AND DESTROY, and we are cleaning up our weapons and drawing up strategy, as if you were a Viet-Cong.

EVERY ONE OF YOUR POLITICAL PLOYS sets us off, triggers our intent, and WE'll GEE YOU, MAN, WE"LL GET EEU, even if you do PRETEND you are such a Santa Claus to the blacks.

POSSIBLE THREAT AGAINST
SENATOR EDWARD (TED) KENNEDY

The following information was received at the Los Angeles Division of the FBI on May 5, 1969:

On May 4, 1969, at approximately 7:30 p.m., a call was received at the Detective Division, Watch Commander's Desk, Los Angeles County Sheriff's Office (LASO), from a [redacted]. [redacted] is a telephone exchange operator who handles calls for Doctor [redacted]. Doctor [redacted] is a psychiatrist who testified for the prosecution in the Sirhan Sirhan trial.

b6
b7C

[redacted] stated that a caller who identified himself as [redacted], and who furnished his telephone number as [redacted], said that he was at the Beverly Hilton Hotel, and that he wished to contact Doctor [redacted]. [redacted] stated he had information regarding another "Arab" from Sirhan's group who was planning to kill Senator Ted Kennedy.

It was determined by the LASO that telephone number [redacted] is listed to [redacted], [redacted] Los Angeles, California.

Representatives of the LASO attempted to contact [redacted] at [redacted] in Los Angeles with negative results on May 4, 1969.

b6

CAL.

[redacted] was later paged at the Beverly Hilton Hotel, and an individual responded to this page by identifying himself as [redacted]. [redacted] told representatives of the LASO that he used the name of [redacted] to keep from being

killed by the Arabs. [redacted] then went into great detail telling of his grief over the assassination of Robert Kennedy and of his great concern for Ted Kennedy. He felt that the Arab nation was conspiring to kill Ted Kennedy. He could, however, furnish no names of any conspirators. He furnished two telephone numbers, [redacted] and [redacted], which he said he had obtained from people of the "Arab race" whom he had met in restaurants. [redacted] main concern appeared to be that if Senator Kennedy came to Los Angeles, that he [redacted] be allowed to stand in front of the Senator to disarm any person who might pull a gun, and if unable to do this, to stop a bullet with his body. [redacted] said he had attempted to work with the FBI and Secret Service, but that "they" were not willing.

b6
b7C

After discussing this entire matter with [redacted] the Sheriff's Office representatives concluded that [redacted] had no information of value to furnish.

It is noted that [redacted] has contacted the Los Angeles Office of the FBI on numerous occasions during the period 1961 through the present. In December 1962, he was described by Sergeant [redacted] Administrative Vice, Los Angeles Police Department, as a "nut" and a chronic nuisance.
