[redacted] OSI, telephonically contacted week-end Supervisor J. D. Donohue at 5:30 P.M. 6-23-63 and advised that Inspector [redacted] OSI, in connection with a briefing for General Carroll on 6-24-63 requested a name search on Harry Alan Towers and Maria Novotny. Towers and Novotny were arrested by the New York City Police Department in March, 1961, and Towers was charged with maintaining a disorderly house while Novotny was charged with soliciting for prostitution. The New York Journal - American in two sensational articles is attempting to link the Towers case with Christine Keeler.

After checking with Supervisor W. D. Stewart, [redacted] was furnished the facts of the Towers arrest and arraignment for violation of the White Slave Traffic Act and his subsequent jumping of bond by fleeing to Europe. [redacted] was advised that Towers was last known to be in Czechoslovakia and Novotny in England.

At 6:50 P.M. [redacted] OSI, called back and said they were particularly interested in the references in the Journal - American articles to the possible connection of the Towers case to United Nations personnel. After checking with Mr. Branigan and you, OSI was advised at 7:30 P.M. that we had nothing to back up the newspaper account.

Our files do not show that we had any information concerning Keeler, Ward, and these activities. We have checked the cables from the Legat, London, and he states that the information received by the embassy was not known to the Legat's office. To be certain that the Legat did not have any of this information,

we are calling Legat Bates to pin this down.

We have arranged to interview [REDACTED] and Assistant Director Malone has been instructed during this interview to pin this allegation down and find out where it came from, so that we can run it down if necessary.

We talked with Legal Attache Bates 6/21/63 via Defense telephone facilities. He was instructed, pursuant to the Director's wishes, that he is not to leave his post without the specific approval of the Director and he was informed that the seriousness of the matters now being handled by his office requires his presence in London until further notice. Bates stated that he recognizes this and had cancelled his trip to the Scandinavian countries, sending an assistant instead. *(S)(u)*

[REDACTED SECTION]

Bates acknowledged the instructions given earlier to Assistant Legat Minnich with respect to the forthcoming visit to London of Deputy Assistant Secretary of State William C. Burdett. He asked what information he should furnish in the event Burdett asked him for data concerning the case. We told him he could furnish Burdett any material which had been disseminated here at the Bureau. Bates asked that we keep him promptly informed concerning the dissemination we make and pointed out that it is most important for him to know about this so he will not be caught short in dealing with his contacts in London, both American and British. *(S)(u)*

Bates asked that he be informed as quickly as possible concerning [REDACTED] (These have been ordered by teletype and will be expedited.) *(S)(u)*

Regarding Secretary McNamara's call to the Director's office, I reached the Secretary about 2 p.m. and advised him that I was acting for the Director in this matter.

He said he was concerned about the matter and would like me to come over to his office at 4:45 p.m. today to discuss it, along with Director McCone of Central Intelligence Agency. I mentioned to him that we had interviewed [redacted] in NY and that we were interviewing the [redacted], and if he preferred I could go over the matter with Lt. Gen. Carroll, who had also called us today regarding this matter. Secretary McNamara said he would appreciate it if I would come over with any information we had on the case and I told him I would be glad to come.

Yesterday we disseminated the results of [redacted] and I will furnish McNamara with a copy of the memorandum showing this interview, and also give him a copy of a memorandum we sent to the AG a few days ago showing information furnished by our Legat, which includes information from the Air Force that two US Airmen in England were involved with Keeler. I will be alert to see that this case is not dumped off on the FBI, pointing out that we are not operational abroad, and have no jurisdiction, and the activities of these airmen are the responsibility of the Defense Department.

I also talked with Lt. Gen. Carroll, who advised that there were three Air Force men involved, the two we were aware of and another named Hamilton, and all three of them are being flown back to the States from England today for interrogation by the military.

CHRISTINE

While discussing another matter, I advised the Attorney General that the Defense Department has interviewed the three airmen involved in the Keeler case and they indicated they had met Keeler in a night club over there which was the extent of their relationship with her

I advised the Attorney General they were being allowed to return to London. I said I doubted there was any espionage or intelligence violation but with these three going back to London, if they get a few drinks in them and start to boast and talk about what they did, they will have it in the London papers.

(b7D)

The Attorney General asked if I had received any reports on this. I told him I had not but I would try to get a report.

DATE: June 20, 1963

FROM : D. J. BRENNAN *DJB*

SUBJECT: CHRISTINE KEELER
 JOHN PROFUMO
 INTERNAL SECURITY - RUSSIA - GREAT BRITAIN

On June 20, 1963, Colonel David I. Walsh, Office of Special Investigations (OSI) Headquarters, advised Liaison Agent O'Connor that OSI has ascertained three airmen have been closely associated with Christine Keeler. The three were identified as [redacted] and [redacted] and had been assigned to communications work with the Air Force (AF) at South Ryslip AF Base, England. Colonel Walsh indicated the three Negroes had met Keeler in low-class night clubs, generally frequented by non-Caucasian elements in London. Colonel Walsh indicated the trio at the instructions of the Inspector General, AF, are being flown from England today for interrogation and to insure that the thrill-seeking English press does not get their story before the AF does. The three airmen will be housed at Bolling AF Base and the investigation is designed to determine whether Keeler had attempted to "pump" them for intelligence data which they might have in connection with their AF assignments. Colonel Walsh indicated he would keep Liaison advised of the results of the interrogations.

As a matter of interest, Colonel Walsh also advised investigation to date indicates a member of the AF, as yet unidentified, sired Keeler's baby born in early 1959 who subsequently died two weeks after birth.

Christine Keele; 12-2-85 9145 JF/pj/ok FIC/AF 361,52
Internal Security - R - Great Britain

[REDACTED]

was interviewed on June 25, 1963, concerning her knowledge of John Profumo, former British War Minister, Dr. Stephen Ward, British Osteopath, and others whose names appear associated, social or otherwise, with John Profumo or Dr. Stephen Ward.

[REDACTED]

[REDACTED] first became acquainted with Dr. Stephen Ward during 1949, while she was residing at London, England. She described Dr. Ward at this time as having a reputation for going with attractive women; a Bohemian-type individual, who lived simply, according to his income, which, according to [REDACTED] was derived from his medical practice; occasional paintings, sketchings, and creations for magazine covers. (b7D)

Dr. Ward, during 1949, resided, and had offices at Portman Square, London, England.

Dr. Ward mixed freely among British social gatherings in London. He had a pleasing personality, and was knowledgeable of the then-current gossip. In general, his presence among British social circles was in great demand.

Lord Astor, described by [REDACTED] as an old acquaintance, was extremely fond of Dr. Ward, both for his social company and medical ability. She said that Lord Astor had been acquainted with Dr. Ward since before 1949.

John Profumo;
Christine Keeler

Among British social circles, according to [REDACTED] Dr. Ward was considered to be a remarkable person. Medically, he was considered to be excellent and, in this regard, it was common gossip among the British social circle that Dr. Ward was lax in requesting payments for medical services rendered among those able to pay. He also gave his time and ability free to numerous patients unable to afford his services.

(b7D)

[REDACTED]

During approximately May, 1962, [REDACTED] and her husband visited London, England. While there, they contacted Dr. Ward and had dinner at his home. Dr. Ward was then residing at a mews, exact address unknown, located near his office, 38 Devonshire Street, London, England.

[REDACTED] recalled that Dr. Ward's residence was sparsely furnished and that both she and her husband were of the opinion that Dr. Ward wasn't doing too well financially. During the conversation, Dr. Ward remarked that he was "unable to afford a new suit". [REDACTED] said that she and her husband suggested to him that he come to the United States where his art ability would be in great demand. Dr. Ward did not comment to their suggestion.

Following dinner, Dr. Ward remarked that he "was going around with a Russian diplomat, a naval attache, taking him to various social functions and introducing him to his friends". [REDACTED] questioned Dr. Ward's actions; however, Dr. Ward said he "had told British Intelligence and they said it was all right". The matter concerning the Russian was not further discussed.

John Profumo;
Christine Keeler

[REDACTED]

[REDACTED] advised that Dr. Ward has been acquainted socially with [REDACTED] for a number of years. She did not know the nature of any of their business dealings in which they might have been engaged.

[REDACTED] advised that she is also acquainted with [REDACTED]

[REDACTED] She noted that prior to the newspaper disclosures concerning Dr. Ward she had no knowledge that Dr. Ward and [REDACTED] were acquainted.

[REDACTED] commented that she was "shocked" upon learning that Dr. Ward had been accused of being a procurer and pimp, as well as possibly being involved in espionage activities on behalf of the Soviet Government.

She said that it was common knowledge among British social circles that Dr. Ward "liked pretty girls"; however, she was of the opinion that he would have "kept them for himself".

[REDACTED] noted that in her conversations with Dr. Ward concerning political matters, he would always seem to be opposed to the then-current trend of British political thinking. She said that she would not describe him as one adhering to the Communist line; however, would describe his thinking as being "somewhat Leftish".

At 8 a.m., 6/23/63, Legal Attache Charles Bates, London, telephonically furnished the following information to Special Agent William F. Shubatt.

The Sunday edition of "News of the World," a London newspaper, which was described by Bates as a scandal sheet, carries a front-page story to the effect that the American FBI is making inquiries into revelations arising from the Profumo matter. It was indicated that at Washington's request MI-5 had furnished information about activities in England of an international blackmailing organization which was known as "the syndicate," and that American investigators had flown to England from Washington to interview several people. According to Bates, it is his belief that the mention of investigators arriving in England probably refers to certain Air Force personnel who arrived in London to conduct inquiry regarding Air Force personnel involved in captioned matter.

Bates indicated that the "Sunday Express," also a London newspaper, carried an article regarding prostitution and call girls in the United Nations and in other high places. Bates indicated he has reviewed all Sunday newspapers and the above two articles are the only stories of any consequence. He stated that he has received press inquiries and has indicated he had no comment. He advised that newspaper reporters are eagerly attempting to gain information and reportedly have attempted to surveil officers of Scotland Yard.

Bates indicated that it is his opinion the newspapers are attempting to piece together various bits of information in order to write stories regarding this matter; however, he believes that, from the papers he reviewed today, an attempt is being made to play this matter down.

WASHINGTON--THE DEFENSE DEPARTMENT TODAY CLEARED THREE U.S. AIR FORCE MEN WHO WERE FLOWN HOME FROM BRITAIN FOR QUESTIONING IN THE PROFUMO SEX AND SECURITY SCANDALS.

THE AIRMEN WERE NOT IDENTIFIED. BUT THE DEPARTMENT SAID INVESTIGATION HAD SHOWN THAT NONE WAS "INVOLVED DIRECTLY OR INDIRECTLY IN ANY WAY, OR HAD ANY KNOWLEDGE" CONCERNING THE CASE. IT DID SAY, HOWEVER, THAT TWO OF THEM HAD MET A GIRL NAMED "CHRISTINE." THIS WAS PRESUMED TO BE A PARTY GIRL CHRISTINE KEELER AROUND WHOM THE BRITISH SCANDAL HAS CENTERED. BUT THE DEPARTMENT ADDED: "THEY HAD NO INTIMATE CONTACT WITH HER AND DIDN'T EVEN KNOW HER LAST NAME UNTIL THEY READ THE PUBLICITY CONCERNING HER IN THE NEWSPAPERS."

BUT THE PENTAGON SAID THAT "UNTIL THE PUBLICITY BROKE, THEY (THE AIRMEN) NEVER HEARD OF IVANOV, DR. WARD OR MR. PROFUMO, AND THEY KNOWN NOTHING OF ANY ASSOCIATION MISS KEELER MIGHT HAVE HAD WITH THEM."

"INVESTIGATION HAS NOT GIVEN ANY INDICATION WHATSOEVER OF ANY SECURITY VIOLATION. NO MILITARY INFORMATION WAS EVER SOLICITED FROM THESE MEN NOR WAS ANY EVER FURNISHED BY THEM."

SYLVESTER, REFUSED TO SAY WHETHER A LIE DETECTOR WAS USED IN THE QUESTIONING.

INTERNAL SECURITY - RUSSIA AND GREAT BRITAIN

The Office of Special Investigations, Air Force, had informed this Bureau that three airmen, [redacted] and [redacted] allegedly knew Christine Keeler in the London area. Air Force transported these men to the United States for interrogation. The interviews disclosed another airman, [redacted] as having some knowledge of Keeler's activities. The interrogations by Air Force of the airmen involved indicated limited knowledge of Keeler and her associates, and the Air Force closed its case noting no espionage or counter-intelligence was involved. There is enclosed one copy each of interviews conducted by the Air Force of the above airmen.

[REDACTED] This individual was one F. W. Allport who died in 1958. He was for many years the European manager of the Motion Picture Association of America and lived in London. Another person is believed to be identical with the famous American musical comedy star [REDACTED] since both her maiden and married names were included. [REDACTED] has been interviewed and has no knowledge of Ward.

(b7c)

(b1)

(s) In some instances the people have moved or the buildings have been demolished for five or more years. Based on this, it is not believe that we should conduct a fugitive investigation to locate these people. The expenditure of manpower and funds is not justifiable since we have no indication that these persons would be knowledgeable about Keeler or Profumo. We will, of course, interview those who can be located without conducting an extensive investigation.

(b1)

[REDACTED] (c)

(s) The present whereabouts of Towers is not known and the Legal Attache is attempting to determine same. Towers jumped bail in a White Slave Traffic Act case in New York in 1961. Chan is a Chinese American call girl and procurer both in the United States and London.

(s) When the results of these interviews are received, they will be analyzed carefully keeping in mind the known propensity of prostitutes to lie to gain notoriety.

RECOMMENDATION:

When the results of the above interviews have been received and analyzed, it would appear that all logical investigation will have been completed and if you agree, we will follow the above course ~~and~~ conducting a fugitive investigation.

The following is information concerning Maria Novotny whose name has been mentioned in captioned matter as an associate of Dr. Stephen Ward. *AG*

Harry Alan Towers, subject and fugitive in White Slave Traffic Act investigation, was a television producer born 10/19/20 in London. He induced Maria Novotny, a 19-year-old model, television actress and also a British subject, to come to the U. S. on 12/14/60 and work as a model and television actress. Upon her arrival, Towers immediately engaged her into lucrative prostitution work. They were arrested on 3/3/61 by the New York City Police Department on prostitution charges. Towers was placed under \$10,000 bail but prior to his court appearance scheduled for 5/9/61, he fled to England where, as a British citizen, he could not be extradited. He is currently a Bureau fugitive stemming from White Slave Traffic Act charges from his original arrest on 3/3/61.

[REDACTED]

[REDACTED] and among other information said a dinner party attended by approximately twenty guests, including Dr. Ward, was held and everyone appeared in formal dress. When the dinner was about to be served, a waiter serving the dinner appeared in complete undress except for a black hood which he wore over his head with slits for his eyes. The waiter's appearance eventually caused the dinner to culminate in a perverted sex orgy on the part of all guests. This waiter was a high-ranking cabinet minister. His identity is presently unknown.

CHRISTINE KEELER;
JOHN PROFUMO

[REDACTED] furnished the following information to a Special Agent of the Federal Bureau of Investigation on June 23, 1963: *CALIF*

[REDACTED] He was in London, England, during November, 1962, for a period of three weeks. He met Marilyn Rice-Davies at a party in a private residence. He could not recall the address or the identity of the person who gave the party.

[REDACTED] knew Marilyn Rice-Davies as Mandy. In a period of three weeks, he took her out six times, always to dinner. She never visited him at his hotel, which was the Mayfair Hotel, London. He claimed that he did not visit her in any apartment or hotel. On five occasions he picked Mandy up at the apartment of Stephen Ward, where Mandy was residing. On one such occasions, he met Dr. Ward. On the other occasion when he picked up Mandy was at the apartment of Christine Keeler. According to [REDACTED] Mandy was living with another girl in Ward's apartment.

[REDACTED] only met Ward on one occasion and the conversation that he had with him was brief; however, [REDACTED] said that Ward had a good practice in osteopathy, was financially well off, a man of prominence with a good clientele, and [REDACTED] felt that the allegations that had been made against Dr. Ward by the British authorities were completely unfounded and baseless. [REDACTED] further stated that in his opinion Dr. Ward's position was such that he would never have been associated with prostitutes or party girls.

CHRISTINE KEELER; JOHN PROFUMO

██████████ advised that on the one occasion that he did meet Christine Keeler that he found her to be a very charming, young lady, who appeared to have a good background.

According to ██████████ Mandy Rice-Davies was only 18 years of age when he met her; however, she conversed like a woman of 30 years of age. He found her cultured, refined, and a pleasure to be with. It was his opinion that Mandy Rice-Davies could never have engaged in prostitution.

██████████ does not know and has never met John Profumo. He claimed that he never met any of the associates, friends, or acquaintances of Mandy Rice-Davies, of Christine Keeler, or of Dr. Stephen Ward. He recalled that in November, 1962, Mandy had been going with a well-to-do Britisher who was a real estate man, and who died in November, 1962.

██████████ recalled that Mandy Rice-Davies told him that she had made a visit to the United States with a girl friend, name not indicated, in the early part of 1962, and that she and her girl friend stayed in New York City for about a week or ten days. Mandy indicated that she had tried to obtain a modeling job in New York and, being unable to do so, had returned to London. (b7D)

██████████ has not had any contact with Mandy Rice-Davies since November, 1962, except for a cable which he received from her in January, 1963, in which she indicated that she was planning to come to the United States. He never answered the cablegram.

In conclusion ██████████ stated that on the six instances that he was with Mandy Rice-Davies that they always were alone in restaurants, and that he never accompanied her to any parties and he does not know the name of any individuals, either in this country or abroad, who are acquainted in any way with Mandy Rice-Davies, Christine Keeler, or John Profumo.
