"3. PLEASE FURNISH FOR REVIEW EACH AND EVERY BUREAU FILE PERTAINING IN ANY WAY POSSIBLE TO THE SOCIALIST WORKERS PARTY AND THE WEATHER UNDERGROUND ORGANIZATION, INCLUDING JUNE FILES, INFORMANT FILES, SUB FILES, ETC. THIS INCLUDES BOTH HEAD-QUARTERS AND FIELD OFFICE FILES."

THE MEMORANDUM OF APRIL 13, REFERRED TO IN THE DEPARTMENTAL REQUEST, COMMUNICATED TO THE DEPARTMENT OUR LOCATION OF THE SAC FOLDERS IN THE NEW YORK OFFICE.

REQUEST 3 PERTAINS TO FILES AT HEADQUARTERS AND IN ALL FIELD OFFICES AND OBVIOUSLY CONCERNS LITERALLY THOUSANDS OF SECTIONS OF FILES. THE VOLUME OF INFORMATION TO BE REVIEWED HAS BEEN BROUGHT TO THE DEPARTMENT'S ATTENTION, NEVERTHELESS, THE DEPARTMENT REITERATED ITS DESIRE TO HAVE ALL OF THIS MATERIAL AVAILABLE FOR REVIEW.

BY "AVAILABLE FOR REVIEW," MR. GARDNER HAS INDICATED HE WOULD LIKE TO HAVE, IN THE CASE OF THE SAC FOLDERS, ALL MATERIAL ON HAND AND IMMEDIATELY AVAILABLE FOR HIS REVIEW. IN THE CASE OF THE SOCIALIST WORKERS PARTY (SWP) AND WEATHER UNDERGROUND ORGANIZATION (WUO) FILES, A SUFFICIENT NUMBER OF FILE SECTIONS SHOULD BE ON HAND TO INSURE A CONTINUOUS REVIEW. AS MR. GARDNER

PAGE THREE 66-8160

REVIEWS THE SWP AND WUO FILES, HE EXPECTS TO BE ABLE TO HAVE WITHIN A REASONABLE AMOUNT OF TIME ADDITIONAL FILES (JUNE, INFORMANT, SUBS, ENCLOSURES, ETC.) WHICH HE IDENTIFIES FROM THE MAIN CASE FILES AS BEING PERTINENT TO THE INQUIRY.

THE METHOD BY WHICH THE FILES ARE SUPPLIED TO THE DEPARTMENTAL ATTORNEY IS LEFT TO YOUR DISCRETION; HOWEVER, IT IS EXPECTED THAT EVERY EFFORT BE MADE TO AVOID UNNECESSARY DELAY IN FURNISHING FILES TO HIM.

IN VIEW OF THE URGENCY OF THE DEPARTMENTAL REQUEST, AND THE VOLUMINOUS AMOUNT OF MATERIAL BEING SOUGHT FOR REVIEW, WE ARE LIMITED IN THE TIME AVAILABLE TO CONDUCT AN ADEQUATE REVIEW OF OUR SUBSTANTIVE FILES TO INSURE CONCEALMENT OF ASSETS' IDENTITIES; HOWEVER, IF INFORMANT FILES ARE CALLED FOR REVIEW BY MR. GARDNER, HE MAY BE FURNISHED THE INVESTIGATIVE SECTION OF THE INFORMANT'S FILE AND SUFFICIENT MATERIAL FROM THE ADMINISTRATIVE SECTION TO ESTABLISH NOT ONLY THE ASSET'S NATURE, I.E. ELECTRONIC SURVEILLANCE, HUMAN SOURCE, ETC., BUT ALSO ASSET'S BONA FIDES. IT IS SUGGESTED THAT JUSTIFICATION MEMORANDA, BEARING THE ASSET'S SYMBOL NUMBER, WOULD SUIT THIS PURPOSE. MR. GARDNER IS NOT TO BE FURNISHED THE ASSET'S NAME.

PAGE FOUR 66-8160

MR. GARDNER IS NOT TO BE ADVISED OF THE SCOPE OF OPERATIONS INVOLVING USE OF UNDERCOVER SPECIAL AGENTS IN WEATHER UNDERGROUND MATTERS. SHOULD HE REQUEST AN ASSET FILE DEALING WITH THIS SUBJECT, HE SHOULD BE ADVISED THAT THE FILE OR FILES REQUESTED ARE BEING RESPECTFULLY WITHHELD ON INSTRUCTIONS OF FBI HEADQUARTERS, AND THAT REVIEW OF THOSE FILES WILL BE DISCUSSED PERSONALLY AT THE HEADQUARTERS LEVEL WITH ASSISTANT ATTORNEY GENERAL J. STANLEY POTTINGER, CHIEF OF THE CIVIL RIGHTS DIVISION.

YOU SHOULD RESOLVE ANY QUESTION AS TO WHETHER OR NOT A PARTICULAR FILE SHOULD BE PROVIDED TO MR. GARDNER BY CONTACTING THE APPROPRIATE SUBSTANTIVE DESK AT FBIHQ.

YOU SHOULD INSURE THAT PERSONNEL ASSIGNED TO ASSIST MR. GARDNER IN OBTAINING MATERIAL FOR REVIEW ARE NOT CONNECTED WITH THOSE ENTRY MATTERS WHICH HE IS TO REVIEW. YOU SHOULD ALSO BE AWARE THAT MR. GARDNER HAS ADVISED HE DOES NOT WISH TO SPEAK WITH PERSONNEL INVOLVED IN ANY ASPECT OF THE MATTERS WHICH HE IS TO REVIEW.

MR. GARDNER WILL BE ASSISTED IN HIS REVIEW BY DEPARTMENTAL ATTORNEY STEVEN HORN, ALSO OF THE CIVIL RIGHTS DIVISION.

MAKE CERTAIN THAT AN ACCURATE RECORD IS KEPT OF MATERIAL PRESENTED TO MR. GARDNER FOR REVIEW. ON COMPLETION OF THE INQUIRY AT NEW YORK, FURNISH A COPY OF THIS RECORD TO INTD, ATTENTION: IS-3 SECTION.

END

In connection with its ongoing investigation into investigative matters of the FBI which involved surreptitious entry, the Civil Rights Division forwarded on 4/21/76 a memorandum requesting: review of a number of Headquarters and field files relating to entry activity in Arab terrorist and black extremist matters; review of a number of files relating to Socialist Workers Party (SWP) candidates, members, organizers, and a campaign worker; review of Detroit, Michigan, records regarding certain alleged SWP burglaries or break-ins; an investigative report pertaining to one access to review "each and every Bureau file" pertaining "in any way possible" to the SWP and the Weather Underground Organization (WUO); review of the "SAC Folders" recently discovered in the New York Office, as well as a canvass of all field offices for similar materials; information as to whether or not the Bureau was conducting or contemplating conducting an investigation by the Inspection Division into the surreptitious entry question, particularly four entries recently discovered at New York which occurred two in 1972, and two in 1973; and, copies of communications between Headquarters and field offices regarding efforts made to ascertain the scope of entries against the SWP and WUO. Re: SURREPTITIOUS ENTRIES

RECOMMENDATIONS:

1. That, in accordance with requests in Category A, Questions 1-10, of the Civil Rights Division's request of 4/21/76, necessary steps be taken by IS-3 Section to insure appropriate material is made available, when called, at Headquarters; that field offices be notified of the Departmental request when appropriate.

2. That, as regards Category B, Questions 1-10, and Category C, Questions 4 and 6, IS-2 Section take appropriate steps to identify the subjects of these requests pertaining to the SWP and WUO, and insure that requested material is available, when needed, at Headquarters and in the field.

3. That, with respect to Category C, Questions 1-3 and 5, IS-3 Section initiate efforts to respond; that New York Office be advised immediately of the pending review.

4. That, with regard to Question 9, Category B, that the Bureau check [REDACTED] records, we attempt to clarify with Departmental Attorney Gardner the nature of this question prior to initiating action to respond.

5. That attached nitel be sent to New York.

Memorandum to T. W. Leavitt
Re: SURREPTITIOUS ENTRIES

DETAILS:

In connection with its continuing investigation into investigative matters involving surreptitious entry, the Civil Rights Division forwarded on 4/21/76 a request for certain material and access to review a voluminous number of files.

Category A of the 4/21/76 request appears to relate almost exclusively to Arab terrorist matters. The attached copy of the request notes the subject of files we have been able to identify to date.

Category B of the request concerns the SWP, its members, candidates, and officials. The request does not specify the reason as to why the files are being requested for review. It is presumed that the Department has some indications that the individuals named were past targets of surreptitious entries.

4/7/76
Question 9, Category B, asks that we review Detroit, Michigan [redacted] records for information relating to alleged burglaries of the SWP in Michigan from 1970 to 1973. Fulfilling this request obviously depends on the cooperation afforded the Bureau by the [redacted]

It is not clear why this particular question has been posed, unless the Department expects to discover break-ins that may subsequently be attributed to Bureau activities. We propose to attempt to clarify this question with Mr. Gardner prior to taking the requested action.

New York, by attached nitel, is being alerted to the requests in Questions 1, 2, and 4, Category C. With respect to Question 3, we initiated a survey of all field offices in a communication of 4/13/76. When the results are assembled, we will immediately notify the Department.

DETAILS CONTINUED PAGE 4

Memorandum to T. W. Leavitt
Re: SURREPTITIOUS ENTRIES

DETAILS CONTINUED:

Question 4, Category C, asks the Bureau to furnish "each and every Bureau file pertaining in any way possible to the Socialist Workers Party and the Weather Underground Organization," including JUNE files, etc. This request includes Headquarters and field office files (all field offices). We are quite literally speaking of thousands of sections of files, and what amounts to a logistical problem of huge proportion.

Mr. Gardner indicated subsequent to his written request that he does not expect each and every file to be on hand in any one location for his immediate review, but that we should be prepared to furnish at his request and within a reasonable period of time the files he might wish to review. For example, on his visit to New York to review the SAC folders and the SWP and WUO files, he would expect to have the SAC folders immediately available for review. Should a file within those folders come to his attention that he feels necessary to review, he would expect the file to be made available at that time. The same would apply to the SWP and WUO files: that the organization files be on hand for ready review (for instance, sections 1 - 50 initially, then on request sections 51 - 100, and so forth). Where additional files are noted as being pertinent to his review, Mr. Gardner will request same and would like to have them made available.

Since Gardner's review will amount to a rather wide-ranging inquiry into our files, all offices will be instructed to record accurately what information and material is made available.

Re: SURREPTITIOUS ENTRIES

DETAILS CONTINUED:

With respect to Question 5, Category C, whether or not the Bureau was conducting or contemplating conducting an internal investigation of the surreptitious entry question, particularly two entries in 1972, and two entries in 1973, contact with Mr. Pottinger's office by our office of the Deputy Associate Director (Investigation) on 4/22/76 resulted in the determination that Mr. Pottinger's assistants would conduct first review of these matters at New York.

Mr. Gardner advised he would like to begin his review at New York on Monday, 4/26/76. He will be accompanied by Departmental Attorney Steven Horn, Civil Rights Division, who will assist in the review.

Pursuant to discussions between the Attorney General, Mr. Kelley and Mr. Pottinger, I advised Mr. Pottinger today that it would be permissible for him to personally review several closed informant files of the New York Office in connection with his inquiry concerning surreptitious entries. It was also agreed that during this review the identities would be concealed and should circumstances arise which might necessitate his requesting the identities, further discussions would have to take place. SAC Grubert of New York Office was telephonically advised of this decision.

SUBJECT: SURREPTITIOUS ENTRIES

PURPOSE:

To set forth our proposed action with respect to Question 5, page 4, of a 4/21/76 request of the Civil Rights Division (copy attached).

SYNOPSIS:

In a 4/21/76 request, the Civil Rights Division asked whether our "Inspection Division currently has any investigations underway or contemplated regarding surreptitious entries by Bureau personnel, including, but not limited to, two entries in 1972 and two entries in 1973 into residence of alleged WUO (Weather Underground Organization) persons." Information concerning these entries was recently transmitted to Headquarters from New York, and resulted from a review there of SAC folders. On learning of this material, particularly the entries within the Statute of Limitations, the Director indicated that the documents should be reviewed. On 4/22/76, Mr. James Turner, Deputy to Assistant Attorney General Pottinger, was contacted about our intention to have the Inspection Division examine this matter. We communicated our concern that our prior review of the documents might jeopardize, interfere with, or disrupt the Departmental review. Mr. Turner contacted Mr. Pottinger who indicated he would prefer that Civil Rights Division have first review of the documents in question. Mr. William L. Gardner, Departmental Attorney handling the Civil Rights Division's inquiry, was advised on 4/23/76 of our decision not to conduct a review of this material until his review is completed.

Re: Surreptitious Entries

Q/17)(e)

RECOMMENDATIONS:

1. That Special Agent [redacted] maintain contact with Mr. Gardner to ascertain when he has concluded his review of those matters noted in Question 5, page 4, of the 4/21/76 Departmental request.

2. That on completion of the Departmental review, Inspection Division institute a review of instances of surreptitious entry as contained in New York's SAC folders, specifically those matters falling within the Statute of Limitations. In addition, Inspection Division should determine the basis for maintenance of the SAC folders at New York.

Memorandum to Mr. T. W. Leavitt
Re: Surreptitious Entries

DETAILS:

In a 4/21/76 request, the Civil Rights Division asked whether or not our Inspection Division had any investigations underway or contemplated regarding surreptitious entries performed by Bureau personnel, particularly, but not limited to, two entries performed in 1972 and two entries in 1973, all against "alleged WUO persons."

Information concerning the four specific entries mentioned by the Civil Rights Division, as well as information about numerous other entries which occurred since January 1, 1966, was furnished to Headquarters following New York's review of 25 volumes of SAC folders discovered in that office.

On learning of the discovery of this material, Director Kelley indicated that the documents in question should be reviewed, especially that material showing entries falling within the Statute of Limitations.

Prior to any action in this regard, we received on 4/21/76 a Departmental request. Since a review of this material by our Inspection Division might conceivably jeopardize, or act at cross purposes to the Civil Rights Division's inquiry, a decision was made to speak with Assistant Attorney General Pottinger for his views.

On 4/22/76, Mr. Pottinger's Deputy, Mr. James Turner, was contacted by Mr. Adams, and the areas of possible conflict as regards this review by the Bureau and Department were discussed with him. Mr. Turner communicated our views to Mr. Pottinger, who was then out of town, and Mr. Pottinger

indicated he would prefer to review the pertinent materials in advance of any internal investigation by the Bureau. Mr. Pottinger advised he did not wish to tell the Bureau how or when to conduct an investigation into this area of obvious interest to us, however, he did indicate he would prefer to review the documents first.

On 4/23/76, Mr. William L. Gardner, Departmental Attorney handling the Civil Rights Division's inquiry, was advised of the discussion of Mr. Adams and Mr. Pottinger and their decision that the Civil Rights Division would have first review of the materials in question.

Mr. Pottinger agreed that on completion of the Departmental review, our Inspection Division would institute a review of instances of surreptitious entry as contained in New York's SAC folders, specifically those entries falling within the Statute of Limitations. In addition, Inspection Division will attempt to resolve the question regarding the basis for maintenance of the SAC folders.

SURREPTITIOUS ENTRIES

Reference is made to our memorandum of April 15, 1976, in which we advised of documents discovered in our New York Office relating to surreptitious entries, and to your memorandum of April 21 in which you ask that, if not already done, all Bureau field offices be canvassed to determine whether or not other SAC folders existed in those offices.

On April 13, 1976, a communication was directed to all FBI field offices instructing that Special Agents in charge ascertain whether or not SAC folders or similar documents detailing surreptitious entries existed within their respective offices. Offices were directed to consult with knowledgeable personnel in fulfilling this request.

Our survey shows that although no further "SAC folders" pertaining to surreptitious entries were located in offices other than New York, three field offices identified several entries which had not previously been brought to your attention. These entries, by field office, are shown below:

NOTE CONTINUED:

Following discovery in New York of SAC folders which outlined surreptitious entries in that office over a period of years, the Director instructed that all offices be surveyed to determine whether or not similar documents were in existence. Field surveyed in our communication of April 13, 1976. No field offices in addition to New York uncovered SAC folders; however, certain documents were located at Washington Field, Los Angeles, and Chicago Offices showing entries not heretofore known at FBIHQ, or reported to the Civil Rights Division. This memorandum identifies these entries for the Department.

SURREPTITIOUS ENTRIES

DATE 5-10-82 BY SP4 JRM/ck

Enclosed for the Detroit Office are two copies of a letter from J. Stanley Pottinger, Assistant Attorney General, Civil Rights Division, to the Director dated 4/21/76, caption "Surreptitious Entries."

As noted in this letter, the Civil Rights Division has requested that FBIHQ and all field offices make available certain documents and files.

Category B of this request concerns the Socialist Workers Party (SWP), its members, candidates and officials. The request does not specify the reason as to why the files are being requested for review. It can only be presumed that the Department has some indication that the individuals named were past targets of surreptitious entries.

Question 9, Category B, requests that the Bureau review Detroit, Michigan [redacted] records for information relating to alleged burglaries of the SWP in Michigan from 1970-73. Fulfilling this request obviously depends on the cooperation by the [redacted]. It is not clear why this particular question has been posed unless the Department expects to discover break-ins that may subsequent be attributed to Bureau activities. Departmental Attorney William L. Gardner, who has previously reviewed certain materials in the New York Office concerning this matter, began a review of files in that office on 4/26/76, in connection with requested information in closed letter dated 4/21/76. He is being assisted by Departmental Attorney Steven Horn, also of the Civil Rights Division.

It is not known if or when Departmental Attorney Gardner or some other Departmental Attorney will contact the

Detroit Office regarding this matter. FBIHQ may or may not have advanced information regarding any contact of the Detroit Office regarding this matter. Nevertheless, Detroit should be prepared to cooperate in the event of such contact. An accumulation of files in anticipation of such a contact is unnecessary. However, a list of files in response to this request should be prepared in order that necessary files can be readily obtained if such contact occurs.

By "available for review" Mr. Gardner has indicated he would like to have sufficient number of files on hand to insure a continuous review. As he reviews the SWP files, he expects to be able to have within a reasonable amount of time additional files (June, informant, subs, enclosures, etc.) which he identifies from the main case file as being pertinent to the inquiry.

The voluminous amount of material being sought for review will result in some limitation on the time available to conduct an adequate review of substantive files to insure concealment of informants. If informant files are called for review by the Departmental Attorney, such files are not to be made available. Immediately refer the matter to FBIHQ for consideration.

The method by which the files are supplied is left to your discretion. However, it is expected that every effort be made to avoid unnecessary delay in furnishing files to him.

You should resolve any question as to whether or not a particular file should be provided by contacting appropriate substantive desk at FBIHQ.

You should also insure that personnel assigned to assist in obtaining material for review are not connected with those entry matters which are to be reviewed. You should also be aware that Departmental Attorneys do not desire to speak with personnel involved in any aspect of the matters which they are to review.

(6/7/76)

In regard to Category B, Question 9, regarding review of records of [redacted] concerning burglaries, discussions were had with the Department concerning this matter. Inquiries at this time are to be limited to determining if any SWP member or person readily identified as a principal sympathizer, reported to the [redacted] during the period 1970-73 inclusive any break-in or burglary of offices of the SWP, its youth group, the Young Socialist Alliance (YSA), or the residence of any such person. If such report was made to the [redacted] ascertain specifically the identity of complainant, date of occurrence and location where incident occurred as well as additional facts as to the nature of the complaint and what action was taken by the [redacted] in response. This information is to be furnished to FBIHQ when obtained.

If a Departmental Attorney contacts Detroit, insure that accurate record is maintained of material presented for review. Upon completion of such review, furnish a copy of this record to the Intelligence Division, Attention, IS-3 Section.
