J. Edgar Hoover

Dear Mr. Jacobson:

Your letter of October 4, 1963, has been received.

I appreciate your interest in writing and furnishing me with the enclosed newspaper articles. You may be interested in knowing that it is not my wish to be a candidate for political office. My desire is to remain in my present capacity as long as I can be of service to our Nation.

Sincerely yours,

J. Edgar Hoover

NOTE: No record of correspondent in Bufiles. Likewise, there is no identifiable information concerning Rev. Wesley Brice or Richard MacCoon. No derogatory information in Bufiles concerning Ralph R. Fryberger, with whom we have had cordial but limited correspondence. I. Jacobson is not identifiable on the basis of information contained in the newspaper articles.

The Protect American Rights Committee was organized in the Los Angeles locale to champion the Director as a presidential candidate in the national elections of 1964. It has been described as a private body of citizens who are concerned over the fact that political machines appear to be choosing our candidates rather than the American people. Co-Chairman of the group is one Gene Bradley who has disclosed plans for a "grand mail" campaign.

'J. E. Hoover For President' Group Meets

A Los Angeles man led a "J. Edgar Hoover for President" meeting here last night before 20 persons in the Vasa Club, 3094 El Cajon Blvd.

Richard MacCoon, a marketing representative for an auto parts firm, was the principal speaker at the meeting. He said he was head of the movement to draft Hoover.

MacCoon, who said he was a member of the John Birch Society in Los Angeles, said Hoover was a man who would lead the country "under the rules of God and not under the rules of man."

He expressed concern that a strong bid by Hoover would

split the nation's conservative elements.

Ralph Fryberger, a teacher in National City, introduced MacCoon. Fryberger said he was the San Diego representative for the "Protect American Rights Committee" — the name given the Hoover movement.

FBI's Hoover Gets Backing For President

Need to Clean Up Government Cited At Meeting Here

"When you want to clean house in government call a policeman, and the one for the job is J. Edgar Hoover."

That was the message brought to San Diego last night by a Los Angeles group intent on drafting Hoover, director of the Federal Bureau of Investigation, as a candidate for president of the United States.

Leaders Speak

Richard MacCoon and the Rev. Wesley Brice, both of Los Angeles, cochairmen of the Protect American Rights Committee of North Hollywood, spoke at the public meeting in the Vasa Club, 3094 El Cajon Blvd.

MacCoon, a salesman, said the committee was organized three weeks ago at a meeting in Van Nuys. Some 150 persons attended that meeting and \$67 was collected, he said.

\$300 in Contributions

Since then, MacCoon said, contributions received through the mail total more than \$300. The committee's slogans are "A Buck for Hoover" and "I'm Bucking for Good Government."

"The fact that Mr. Hoover has not recognized our support or declared his candidacy has not put a damper on our drive," MacCoon said. "On the contrary, by remaining silent he is on almost the same ground with other possible candidates," he added.

Teacher Adds Support

Ralph Fryberger, 2627 Covington Road, a sixth grade teacher at El Toyon Elementary School, National City, attended the Van Nuys meeting and helped to organize last night's gathering.

Fryberger described Hoover as a man who knows the enemy. "I believe the Communist movement in America would fall flat if Hoover became president," he said.

Chris Brady, Administrative Assistant to Congressman Carl Elliott (D. - Alabama), who is very friendly, has talked to my office twice within the past two days re Congressman Elliott proposing legislation for the Director. Mr. Brady said the Congressman has the greatest respect for Mr. Hoover and is concerned that the Director just might be forced to retire unless the mandatory provision in the Civil Service regulation is waived by the President. To absolutely preclude the possibility the Director might be forced to retire, it is Congressman Elliott's desire to introduce a bill in Congress removing Mr. Hoover from the Civil Service requirement calling for mandatory retirement at age 70. Before introducing this bill, however, said Mr. Brady, it is Congressman Elliott's desire that Mr. Hoover let him confidentially know how he feels about such a maneuver. If Mr. Hoover objects, of course, no such bill would be introduced. Mr. Brady did think it would pass the Congress without any difficulty.

RECOMMENDATION:

That I informally tell Congressman Elliott the Director deeply appreciates his interest, however, at this time such legislation might give rise to unwarranted speculation and gossip. He will be told the Director has no intentions of retiring; additionally that his kind interest will be kept in mind.

SUBJECT: PROPOSAL THAT A CITIZENS' COMMITTEE BE FORMED FOR PURPOSE OF PRESERVING DIRECTOR'S BIRTHPLACE

Assistant Director James H. Gale telephoned your office from New York yesterday and advised that Colonel Lyle Brookhaver had been in contact with him. Brookhaver is the public relations advisor to Mrs. Mary C. Roebling of West Collingswood, New Jersey, who is very prominent in banking affairs. Brookhaver advised that Mrs. Roebling had been approached to head a citizens' committee for the purpose of preserving the Director's birthplace in Washington. She had stated that she would only consider this if it had the complete approval and endorsement of the Director. Brookhaver also advised that Robert Wolfe of the "Columbus Dispatch" was connected with this committee in some way. Editor Tom Bryan of the "Capitol Hill Spectator" advised you also of the selections of Roebling and Wolfe on 1/31/63.

We have had very close contacts with Wolfe. It is noted that according to Bufiles, Mrs. Roebling [redacted]. She has, however, publicly praised the Bureau and sent the Director a letter of congratulations on his anniversary as Director of the FBI in 1962.

CURRENT PUBLICITY REGARDING EFFORTS TO PRESERVE THE DIRECTOR'S BIRTHPLACE

The "Capitol Hill Spectator," self-described as a community newspaper which is published in Washington, has recently been publishing articles asserting that Capitol Hill citizens have been attempting to form a committee to preserve the Director's birthplace as a national monument and museum. The newspaper has indicated its full support of this plan and in its issue of 12/21/62, claimed that various groups representing more than 12 million Americans, had expressed interest in it. In its latest issue, copy attached, there is set forth another article on this matter which gives a complete rundown of the Director's many achievements over the years. The article also features his picture, as well as a picture of the Justice Building.

Jones to DeLoach Memo
RE: Proposal that a Citizens' Committee
Be Formed For Purpose of Preserving
Director's Birthplace

Bufiles contain no information concerning this newspaper and no information identifiable with its Editor, Thomas Bryan. Bryan has contacted you on a number of occasions regarding this matter. He has been emphatically told that we cannot enter into this matter and that it should be played down. He, however, senses a very popular campaign potential and has plowed ahead.

OTHER INFORMATION:

The only other information we have concerning this matter regards the efforts of James A. Grooms, who, on 5/12/60, wrote to the Trinity Methodist Church in Washington stating that there was a plan to merge several Methodist Churches in the city into one church where the Trinity Methodist Church stood at that time at 413 Seward Square. This address was the birthplace and the home for several years of the Director. Grooms felt that any future building plans should include some tribute, plaque, or the actual preservation of the Director's home as a means of paying tribute to a great American. On 5/17/60, the Director wrote to Grooms stating that he appreciated his sentiments, but also indicated that he did not feel this plan should be encouraged in any way.

At that time, Grooms was associated with the [redacted] [redacted] he had been a former Bureau clerical employee, having entered on duty 12-1-41 military leave on 4/19/46.

RECOMMENDATION:

That we take steps to advise Mrs. Roebing and Editor Bryan that while the Director appreciates the sentiment behind this movement, it would not be possible for him to take part in it in any way and that it would be appreciated if any further efforts in this regard be discouraged.

PRESERVE TO HONOR J.

EDGAR HOOVER

Spurred by the interest of several local citizen groups and various national organizations, the drive to preserve the birthplace of J. Edgar Hoover as a national monument and museum has gained considerable momentum and steps are being taken to formalize a committee for definite action. The reaction of the public to preserve the birth place of this outstanding American has been overwhelmingly favorable and it is believed that there will be little time lost in preparing both private and public plans for the preservation of this asset to the community.

The long service of J. Edgar Hoover in the interests of his country is apparently quite deeply appreciated by his fellow Americans and they are anxious to retain this historic building as a small tribute for the selfless and dedicated efforts he has made for his country. John Edgar Hoover was born January 1, 1895, in the District of Columbia.

He was educated in the public schools of the District of Columbia and received Bachelor of Laws and Master of Laws degrees from the George Washington University. From 1921 until 1924 he served as Assistant Director, Bureau of Investigation and in May 1924, he was named Director. He has been admitted to practice law before the bar of the District Court of the United

States for the District of Columbia, the United States Court of Claims and the United States Supreme Court. Mr. Hoover is a Mason, both Royal Arch and Scottish Rite, 33o, and a Shriner. He is a member of Kappa Alpha Fraternity; Omicron Delta Kappa; Delta Theta Phi; Alpha Phi Omega; and Zeta Sigma Pi. He is a member of many national and statewide law enforcement associations; a trustee of The George Washington University; member, Board of Directors, Boys' Clubs

Mrs. Roebing, a member of the Board of Governors, American Stock Exchange, and President, Trenton Trust Company, Trenton, New Jersey, called me from New York 2-6-63. She was distressed over the premature publicity that she was to be Chairman of the drive for the preservation of the Director's birth place. Mrs. Roebing explained that she, of course, would be delighted to do anything which would honor the Director. She specifically stated, however, that upon being approached by Tom Bryan, Editor, Capitol Hill Spectator, in connection with this matter, she had told Bryan that although she would be glad to accept the Chairmanship of this campaign at the same time she would not make any moves in this connection until she knew that the Director approved of her assuming such a Chairmanship and of the campaign as a whole. Mrs. Roebing stated when she saw the publicity naming her as Chairman of the campaign she became very disturbed and personally called Bryan to "dress him down" regarding this matter.

Mrs. Roebing stated the purpose of her call on 2-6-63 was to apologize for any embarrassment this matter might have caused the Director and indicate that she, under no circumstances, would want to do anything without his approval.

I told Mrs. Roebing that the Director would certainly understand the circumstances and that, as a matter of fact, while the Director could not come right out and say he was totally against such a campaign, at the same time the Director felt the campaign should be discouraged. I told Mrs. Roebing that the same message had been given to Editor Bryan and that he was dropping the campaign, however, she might still see considerable publicity in this regard inasmuch as a number of people on Capitol Hill were definitely behind the campaign. She stated she understood the situation and would take no action whatsoever.

In talking with Bryan the same date, he indicated that the campaign would be quietly dropped.

With further respect to Mrs. Roebing, she asked that I inform the Director that she thus far has bought 75 copies of his book, "A Study of Communism," to give to friends. While talking with her I mentioned that in the event we could be of assistance in getting her any future orders handled with dispatch she should let us know. She expressed appreciation and asked that she have 50 books sent to her immediately. She stated that ~~REMOVED BY SFD~~ of the 50 she would place an order for another 100 books.

For record purposes.

ANNOUNCING COMPILATION OF
THE THIRTY-THIRD EDITION OF

WHO'S WHO IN AMERICA

AND REQUESTING YOUR COOPERATION
IN THE PREPARATION OF THAT EDITION

What they* say about WHO'S WHO

(Actual reference users, including many biographees.)

Your colossal edition of WHO'S WHO IN AMERICA has just arrived, and if it could be better, it is better than any previous issue, with its liberal margins, distinctive type, and a veritable library of up-to-date biographical information. Surely its originator would have thrilled to have seen such a perfect publication, which makes it possible for one to live even in the Big Thicket of Texas and yet stay in touch with the outside world!

A naturalist and author

Along with the Bible and the dictionary, I find the current edition of WHO'S WHO IN AMERICA my constant companion for every part of the work of this downtown ministry.

A minister

My public activities carry me into many places and many cities. I find that WHO'S WHO IN AMERICA is one of the most widely used books of reference . . . it serves as an introduction of your biographees to the many people that many of them reach. It has enabled me to come to "know" many men and women on the American scene whom I could not meet personally. Your pages serve as a sort of "reception" for honored guests.

A rabbi

Being without WHO'S WHO to me is like a plumber without a wrench. . . . The most valuable book of reference I have ever bought. It is my "alter ego" memory.

An editor

There is no book in our entire library that is more often used . . . not a day passes but that it is consulted one to twenty times, not only by myself but by others in the organization.

An attorney

There reached me a few days ago a copy of WHO'S WHO IN AMERICA, and, as usual, it is a magnificent piece of work. This is the one volume which is used almost every day in my office, and it is the one which gives the data desired.

A university president

I hope your publications will continue to mirror the growth of our country and be a chief historical source for generations to come. . . . Your fine portrayals make one feel that you are creating a living link between ourselves and posterity. Praises are vain, but a record of one's endeavors adds meaning to life. Yours is doubly rich, since it enhances that of others.

An author

Remarks of The Rev. Dr. Arthur Judson Brown, the oldest WHO'S WHO biographee at a gathering in New York on the publication of a recent volume of WHO'S WHO IN AMERICA.

WHO'S WHO is more than a book to me. It is a companion, an important factor in my life, and work as useful as a dictionary, and far more interesting. WHO'S WHO tells us what we want to know about the statesmen who govern, the educator who train our young, the centers who buy our equipment, the scientist who open wide doors into the mystery of nature and life, the poets and philosophers who enrich our literature and the prophets who remind us that we are not animals but children of God.

You can well imagine the constant use we have of WHO'S WHO. It is invaluable.

An embassy secretary

In order to assist the Latin American universities, commissioned the American Library Association to compile a bibliography of 250 of the best recent books in all fields. A special project committee was appointed by the ALA to perform this task and they completed their assignment admirably. . . . The purpose of this letter is to acquaint you with the program and to inform you of the book which will publish (WHO'S WHO IN AMERICA) that is included in the bibliography.

Cooperation executive

What a tremendous aid to the biographee is a listing in WHO'S WHO IN AMERICA. Again and again asked to speak in various parts of the country or to preside at various functions, requests for biographical data are quickly disposed of by referring the person making inquiry to WHO'S WHO IN AMERICA. This is not a more facile method, but it is also unembarrassing and impersonal.

A lawyer

Although WHO'S WHO and WHO'S WHO IN AMERICA have been easily available where I have resided, I wish to have them at home also. Consequently, I own the volume WHO WAS WHO and many succeeding volumes of WHO'S WHO. To have the volumes at hand, whether I am in the office or at home, allows me to answer questions when they arise and to complete the matter in hand forthwith.

A physician

As each biennial copy of WHO'S WHO IN AMERICA appears, I am more and more convinced of the importance of the Marquis Company. Every second year I find that no reference book is so eagerly sought in libraries and reference centers. My confreres and my advanced scholars wait eagerly for me to hand my discarded WHO'S WHO to them. Their eagerness pleased me.

An educator

What the new Volume 33

WHO'S WHO offers

REVISED: Increased content — more than 56,500 concise, up-to-the-minute daily-reference-useful biographical listings, each diligently revised and brought down-to-date. More "late data" made possible by special binding arrangements providing for the inclusion of a "final addendum" section just prior to publication date. Printed by the latest processes from plastic plates on paper especially manufactured to the Editors' opacity specifications.

AUGMENTED: Over 7,500 entirely new sketches, never before appearing in WHO'S WHO, of outstanding, today's head-line news, living Americans — men and women — and notable foreigners intimately connected with this country by achievement or current prominence.

SCOPE: The "in America" in WHO'S WHO IN AMERICA is used in its established western continental meaning — the Western Hemisphere — carefully selected groupings representative of Canada and Latin America being listed.

SIZE: Over 3,600 pages—in the easy-to-use library format—yet handy because the large page type area provides a "tall and thin" WHO'S WHO (11 inches high, 8 inches wide, 3½ inches thick).

TYPE FACE: Especially selected for reference use and made up, due to larger page area, to provide more "air."

To the left are shown—from left to right—Volume I (1899-1942) and Volume II (1943-1950) of WHO WAS WHO, now available in reprints, and the new Volume III (1951-1960), published 1960; and Volume 32 (1962-63) of WHO'S WHO IN AMERICA. Between them WHO'S WHO and WHO WAS WHO provide coverage of approximately 110,000 outstanding men and women of American reference interest from today's jet age back to Civil War times.

What WHO'S WHO tells you

Some of the Always-Asked Questions WHO'S WHO Answers:
*What's he done? What's he interested in? Where's he from? What's he doing now?
What's his age? Family? Education? Where is he?*

"There is only one WHO'S WHO, and it needs no court determination to establish the volume as the ranking index of American Talent and enterprise ... WHO'S WHO IN AMERICA is not just another book. It is a national institution."

1897 - Our Seventh Decade - 1962

Dear WHO'S WHO Biographee:

Your WHO'S WHO sketch, as last published, is enclosed -

to be up-dated and rechecked, and then returned in the accompanying no-postage-required envelope to the files of the compilers already working on the next - the 33rd Biennial Edition - WHO'S WHO IN AMERICA.

Our Editors ask the favor - and with some degree of urgency - of as immediate as practicable cooperation to that end -

and they especially request your attention to such details as the occupational designation given in the first line and the dates of termination of positions no longer held, in the body of the sketch, as experience indicates that in the case of frequently revised WHO'S WHO sketches, errors or incomplete information most often occur in those places.

*

*

*

This checking and up-dating to make WHO'S WHO currently accurate for each edition, is possible only because of the cooperation of the outstanding men and women it lists - those whose noteworthy accomplishment is thereby always of record and down to date in its pages ... pages of which constant reference usage is made, as evidenced in the enclosed announcement of the new edition.

Obviously the accuracy and the currency which this periodic checking at firsthand provides for personal and career data, given world-wide circulation in WHO'S WHO, is directly in the interest of those selected for listing in it, and to whom its Editors must, of necessity, turn for the required cooperation.

We here recognize that this cooperation also vitally strengthens the reference serviceability of WHO'S WHO, and one tangible reciprocation we can for our part offer -

is to extend to its biographees advance-of-publication-bookings discounts (up to 25% - \$7.15 saving) exceeding

*170 sent to Mr. J. M. ...
170 ...*

even those for many years allowed libraries, schools and other institutional reference users.

It is in part possible to offer these preferences to biographees who assist our Editors to keep their sketches accurate because, by setting the initial press run to include their pre-publication bookings important production economies become obtainable - and this is especially true in the case of an over 3,600 page volume which takes upwards of six months to print and bind.

These important discounts ... available only to those listed in WHO'S WHO so assisting its Editors ... are:

On their pre-publication subscriptions accompanied by remittance, 25% (\$7.15 saving), reducing the pre-publication list price of WHO'S WHO (\$28.50) to but \$21.35 with all delivery costs prepaid.

On their pre-publication subscriptions to be billed against open account on delivery, 15% (\$4.30 saving) - making WHO'S WHO available to them for \$24.20.

Copies of WHO'S WHO specially bound in genuine leather, with your name imprinted on the cover, are available at your option at an additional cost of \$7.50 per copy.

A convenient form is enclosed which - on your sketch being returned now - provides these preferences. (WHO'S WHO is, for professional vocational, or business reference use, a deductible expense taxwise.)

* * *

It is with the foregoing factors of mutual interest in mind that we request your cooperation in now placing your subscription to the coming edition - the enclosed postpaid envelope may of course be used for your booking as well as for return of your sketch.

Please return the sketch proof even if no changes are to be made, for it must take its alphabetical place in the compilers' files for the new edition to avoid possible accidental omissions later in the compilative procedure.

Your cooperation on both these scores ... up-dating your sketch, and placing of an advance-of-publication booking that will reduce the price to you ... will be appreciated - while early return of the en-

closed proof will be helpful to our Editors in connection with their task of meeting tight schedules.

* * *

To insure currency and accuracy of your data at the time of publication of the new edition, it is suggested that you advise us of any significant changes therein as they occur, making reference to this letter by its symbol (WA/CA) or to WHO'S WHO IN AMERICA, for our Editors' convenience.

Sincerely yours,

Jackson Martindell

Dear Sir:

Not a day goes by but that someone seeks biographical information here at the college for one reason or another. Perhaps the President of the college requires biographical data on an important speaker or someone who is receiving special honor from the college. Sometimes in recruitment of faculty members your biographical directories are consulted. Faculty members are constantly using the A. M. Marquis publications in their work. We who assist in gathering information for faculty, student and administrative use find these volumes indispensable. Reference work would be very disappointing without them.

It is gratifying that the editors have selected a number of our own faculty members for inclusion in Who's Who in America, the writer being one of them. You may rest assured that we are deeply grateful.

Thirty-Third Biennial Edition

Below is a proof of your sketch as published in the previous biennial Edition of "Who's Who." Both to bring new data to the Editors' attention and to notify them that the sketch is otherwise in order for inclusion in the files for the next Edition, merely follow the procedure noted to the right below. Extending this cooperation in maintaining the reference serviceability of "Who's Who" which the Editors must of necessity ask of you, will be greatly appreciated by them — an appreciation for which they can offer is tendered in the paragraph boxed in red in the lower left hand corner of this sheet.

Should the biographee named below not be living, the Editors will appreciate this sheet being returned to them by the person into whose hands it may fall, with a (signed or initialed) notation of the date of death. Such cooperation will assure transfer of the sketch to the next edition of "Who Was Who in America."

Proofs sent during compilation are usually for the purpose of bringing to attention the latest information suggested for consideration by the Editors, and are not intended to commit the Editors to publishing any or all of the data involved in any specific issue, instead of holding the data on file.

BY WAY OF RECIPROCATON

For many years it has been a Marquis policy to offer to biographers, as a reciprocity for the cooperation which they have asked, which our Editors must of necessity request, to obtain the reference serviceability of "Who's Who" not only a "priority" assuring them copies despite the fact that editions are limited as closely as possible to advance of publication orders and the known requirements of the trade and reference centers, but as well the not inconsiderable discounts (on their advance of publication subscriptions) detailed in the accompanying letter. The accompanying form validating these discounts is of course restricted to use by the biographee named in the proof above.

NOTE 1: That personal biographical data made permanently of record for public consultation at libraries and other reference centers throughout the world in "Who's Who" be currently accurate, is obviously of concern alike to the biographee and its Editors. The Editors for their part undertake a complete revision of "Who's Who" biennially, and, as individual data can be most effectively checked only at first hand, earnestly request the personal cooperation of biographers to that end. As a complete revision of "Who's Who" for the next printing is now actively in compilation, such a request is now made of you by the Editors in respect to the proof attached to this sheet. Therefore please promptly note below — on the sheet itself any necessary alterations or additions valid as of the date it reaches you. To obviate the necessity of sending out another compilers' copy sheet, please return this one at once, regardless of whether or not changes are suggested.

2: DO NOT REWRITE the sketch, as it has already been set in type as shown. Since scattered minor alterations may involve complete resetting, the Editors, because of the continuingly difficult production situation, will additionally appreciate cooperation in minimizing them.

SUBJECT: INQUIRY FROM CONGRESSMAN LINDLEY BECKWORTH OF TEXAS RE EXPENDITURES FOR TRAVEL

1961 Jack Brown
1961

Jack Brown, Assistant Budget Officer in the Administrative Division of the Department of Justice, telephonically contacted the writer yesterday afternoon and stated they had received a request from the captioned Congressman for the amounts expended by individual directors of any "main five Bureaus of the Department." He did not want names. Brown indicated they were getting this information from the Bureau of Prisons, Immigration and Naturalization Service, FBI and all of the Assistant Attorney Generals for the fiscal year 1961 since this is the last actual fiscal year.

Upon request Brown furnished the writer with the attached copy of the inquiry from Beckworth and a copy of the Department's reply to his initial inquiry on which Beckworth merely typed his current request. Beckworth's letter of April 9th indicated he was a member of the Davis Manpower Subcommittee and would like to see all of the economy in Government possible. He went on to state, "To what extent has your agency made a study of whether or not there is excessive traveling of your employees?" The Department responded to this inquiry in a letter from Andretta dated April 13th, in which he pointed out that expenditures from the entire Department's appropriation for travel account for only 3.9 percent of the appropriation. Andretta pointed out that the duties of FBI Agents, Immigration Inspectors, Deputy Marshals and those in the U. S. Attorney's offices require them to travel frequently and outlined five policies and limitations currently prescribed by Departmental regulations. It was on this response of April 13th that Beckworth made his present inquiry.

A review of the Director's travel vouchers for the fiscal year 1961 reflect he was in a travel status 35 days and was reimbursed \$667.99 or an average of \$19.08 a day; in addition to which Government Transportation Requests in the amount of \$689.89 were issued for a total travel expenditure for the fiscal year 1961 of \$1,357.88. Attached for the Director's information is an itemization showing how this figure was arrived at.

RECOMMENDATION

APR 24 1962

It is recommended that Brown be advised as above that the Director was in a travel status of 35 days during the fiscal year 1961, total expended for subsistence \$667.99 and transportation \$689.89 for a total of \$1,357.88.

Honorable Lindley Beckwith
House of Representatives
Washington, D. C.

Dear Congressman Beckwith:

This is in reply to your letter of April 9, 1962, relative to travel control measures.

About 80 percent of the Department's funds are expended for personnel services while expenditures for travel account for only 3.9 percent. When it is realized that the duties of F.B.I. agents, Immigration Inspectors, deputy marshals, and those in the U. S. Attorney's offices require them to travel frequently, the amount spent for travel is very modest in proportion to other expenditures. Nevertheless we maintain constant controls where possible to assure that these costs are held to a minimum.

The following policies and limitations are currently prescribed by Departmental regulations:

1. The authorized rate of reimbursement for mileage for official travel by privately owned automobiles is 10 cents per mile or 2 cents per mile less than the maximum allowed by law.
2. Departmental personnel are required to obtain common carrier accommodations less costly than first-class whenever possible. The higher cost of first-class travel is allowed only upon satisfactory explanation of why less costly accommodations could not have been used.
3. Deputy marshals having prisoners to transport to or from jails are under standing instructions to contact other marshals' offices along the route of travel to determine whether there are other prisoners that could be handled on the same trip thereby avoiding duplicating trips.
4. Long absences from headquarters call for readjustment downward of per diem in lieu of subsistence.
5. All requests for travel in those instances which are subject to control, must be submitted and authorized in advance accompanied by sufficient justification.

We are constantly making inquiries and studies in order to avoid excessive travel.

Dear S. A.:

I appreciate your letter of April 11, 1962.

I would like to have the amounts expended by individual Directors of any major Bureau. I am not interested in names, or needs.

SUBJECT: INFORMATION RECEIVED CONCERNING
THE DIRECTOR

J. Edgar Hoover

In my 12-1-61 memorandum, I advised that Mr. E. Robert Kramer, Security Consultant of The Martin Company, Baltimore, Maryland, would be recontacted for details as to his report that discussion had taken place in the White House regarding possible replacement of the Director with Mr. William O. Boswell, Director, Office of Security, State Department.

SA J. M. Matter obtained the following information from Kramer on 12-5-61. The report originally came from Mr. Cornelius Vanderbilt, Jr. of Reno, Nevada (presently staying at the Windsor Hotel, 2300 Connecticut Avenue, Northwest, Washington, D. C., phone HUDson 3-7700). On 11-30-61, Vanderbilt had an appointment with Mr. Arthur Sylvester, Assistant Secretary of Defense, Public Affairs. Sylvester told Vanderbilt the following: (1) J. Edgar Hoover is considering resigning as Director of the FBI to accept a position in private industry. (2) William O. Boswell has been suggested as a possible successor to Mr. Hoover. Vanderbilt attributed this to the White House as a result of Sylvester's close association with Pierre Salinger, White House Press Secretary, and Arthur Schlesinger, Jr., Special Assistant to the President.

107-561-373

Kramer "talked to Vanderbilt at breakfast" by long distance telephone in Miami about 10:00 a. m. on Friday, 12-1-61, at which time Vanderbilt gave him the information regarding the Director. Kramer has no objection to Vanderbilt being contacted in regard to this matter.

Without revealing his source, Kramer has since personally advised Congressman Francis E. Walter, Chairman of the House Committee on Un-American Activities, and the office of Massachusetts Senator Leverett Saltonstall, Senate Appropriations Committee, of this report and urged them to oppose Boswell, if he does receive an appointment, on the basis of his being incompetent for a job as important as the Director of the FBI.

RECOMMENDATION:

For information.

SUBJECT: INFORMATION RECEIVED CONCERNING THE DIRECTOR

At approximately 10:25 a. m. on December 1, 1961, Laboratory Supervisor John M. Matter received a long distance telephone call from Mr. E. Robert Kramer in Miami, Florida, in which Kramer stated he had been advised confidentially by a personal friend who received information from a source in the White House that a discussion has been taking place in the White House regarding possible replacement of the Director with Mr. William O. Boswell, Director, Office of Security, State Department.

In placing this call from Miami, Kramer stated, "I am furnishing this information because I think it's a hell of a thing." He advised that while having breakfast this morning with a friend in Miami, the friend told him that, "a discussion has been taking place within the Administration as to replacing Mr. Hoover with William O. Boswell." Kramer was tactfully pressed as to the identity of the person furnishing this information. He replied, "I am sorry, I can't reveal that, but I can say it came to my friend from a source in the White House." Kramer was further pressed as to the reliability of his friend's information and replied, "He has never let me down in the past."

REC-140 561-344

E. Robert Kramer served in the Office of Strategic Services during World War II. Since the War, he has been employed by the Moaler Research Products Company (Danbury, Connecticut), Security Devices Laboratories (Falls Church, Virginia), and Airtronics, Incorporated (Fort Lauderdale, Florida). Currently, he is a security consultant to the Martin Company of Baltimore, Maryland. His business address is Beaver Company, 1029 Vermont Avenue, Northwest, Washington, D. C. Pages 16914-16919 of the Congressional Record for August 29, 1960, reflect the Senate passed with amendments H. R. 13053, a bill to provide salary increases for Metropolitan Police, D. C. Firemen, U. S. Park Police, and White House Police. Senator Bridges, (R) New Hampshire, offered the following amendment: "Sec. 5. Any person who shall retire for age after serving at least thirty years as Director of the Federal Bureau of Investigation shall receive an annuity during the remainder of his life equal to the salary payable to him at the time of his retirement." The amendment was agreed to. The bill now goes back to the House for action on the Senate amendments. Mr. Bridges, in explaining his amendment, stated "the purpose of this amendment is very simple. It is to afford a measure of recognition to FBI Director J. Edgar Hoover for a lifetime dedicated to the welfare of this country." Senator Frear, (D) Delaware, joined Mr. Bridges and stated "I concur in all that he said, and I would like to add whatever emphasis I can to his statement, for certainly J. Edgar Hoover is cherished by all Americans and deserves this consideration." Senator Lausche, (D) Ohio, stated "I hold J. Edgar Hoover in the highest respect. I value deeply the services he has performed. However, I am obliged to say that regardless of his patriotism and the righteousness of what he has done, we would embark upon a program that would likely rise to plague us. - - - But I cannot bring myself to the conviction that there is anyone who serves the Government who ought to be permitted to retire and to receive the same pay that he did while he was working."

Dear Mr. Hoover:

This morning Governor Harold W. Handley signed the proclamation designating October 15, 1959 as "J. Edgar Hoover Day" in Indiana. I am forwarding the original of this proclamation to you under separate cover. The signing of this proclamation was covered by TV and press representatives.

I presented your letter and autographed copy of your book to Governor Handley, and he was most appreciative of your thoughtfulness. He said that he and his wife had read your book and felt that it is the best account of the Communist menace that has been written. He said he was very proud to now have an autographed copy of the book for his library. Governor Handley is very much interested in the subject of Communism, and he remarked it is disturbing to him that so many Americans still fail to see through the deceit and treachery of the Communists. He stated that every American should read and study your book.

I thanked Governor Handley for paying such a wonderful tribute to you in issuing this proclamation, and he stated that no public official in this country was more deserving.

Sincerely,

The Director (born 1-1-95) will reach age 65 on 1-1-60. The purpose of this memorandum is to report the effect of an amendment to the Federal Employees' Group Life Insurance Act with respect to the Director's insurance coverage. Public Law 86-377, which amended the insurance act, was approved 9-23-59. It provides employees, who reach the age of 65 and continue on an agency's rolls, with full life insurance coverage at full premium cost until an employee retires. The Director, with annual salary of \$22,000, presently has life insurance coverage of \$20,000, which is the maximum coverage which the law permits. This coverage will continue until retirement at full premium cost, which is \$5.00 per pay period, providing a waiver of coverage is not executed. The Director has an option to waive coverage at any time.

Only on retirement will the 2 percent per month reduction take place. Such reduction of coverage continues for a period of about two years and two months following retirement until the coverage is reduced to 25 percent of the face value existing at retirement age, which in the Director's case would be \$5,000.

The latter amount of coverage would then continue for the rest of his life at no premium cost. It will be recalled that before this amendment was enacted, the 2 percent per month reduction of coverage started once an employee reached age 65.

RECOMMENDATION: *This is the cheapest life insurance anyone could get*

That the Director indicate his desire to continue or waive his life insurance coverage.

On the second day of the current session of the National Academy the class members, during a lecture on the history and jurisdiction of the Bureau, were advised that Mr. Hoover was named Director of the FBI on 5/10/24. A couple of days later a committee selected by the class inquired of this division if it would be in order for the class members to do something to recognize the Director's 35th Anniversary. They were advised there would be no objection whatsoever to this and we were sure Mr. Hoover would appreciate their thoughtfulness. As a result a collection was taken up by the class members and they have had prepared a very beautiful plaque. This plaque has an appropriate congratulatory message and the name of each class member engraved upon it. The company working on the plaque has spent 3 weeks making it. It is now ready.

The class members want to present this plaque in a fitting manner and several of them have expressed the hope that the whole class can be present when the president, Chief of Police Dan Liu of Honolulu, makes the presentation.

It is time to make the class photograph and a recommendation is being made that the photograph be taken at noon tomorrow, Thursday, May 7, in the courtyard. There will be no visiting instructors appearing before the class from 11 to 12. The thought has occurred to us that if the Director is agreeable, it would be nice to have President Liu present the plaque to the Director as soon as the Director arrives for the photograph and before the photograph is actually taken. Chief Liu would be in the front row and could merely step forward when the Director arrives, make a very short presentation speech, and then give the plaque to the Director. After acknowledgment by the Director, the photograph could then be taken.

RECOMMENDATIONS:

(1) That the class photograph of the 63rd Session, FBI National Academy, be made in the courtyard at 12 noon, Thursday, May 7.

Mr. Fox called by the Director's Office Friday, March 13, 1959, and was referred to my office.

Mr. Fox stated that he is a portrait artist and that he desires very much to paint a portrait of the Director. He indicated it would not be necessary for the Director to sit for the portrait but rather he would select a photograph which he preferred and then Fox would paint the portrait from the photograph.

Mr. Fox indicated that he usually charges \$2,500 to \$3,000 for his portraits. He has painted such individuals as Father Flanagan, the Honorable Herbert Hoover, the late Chief Justice Stone and many other prominent individuals.

Mr. Fox insisted on taking a current photograph of the Director back with him to New York for the purpose of preparing a sketch. He stated there would be no obligation involved and that the photograph and the sketch would be returned within one month. I told Mr. Fox this was, of course, something the Director would have to pass upon, that the Director was not in the building at the present time and that it would, therefore, be impossible to give him a photograph for this purpose. Mr. Fox stated he understood and that he would be back in town within approximately one month and would call then to see if the Director was interested in having his portrait painted.

ACTION:

It is suggested I tell Mr. Fox when he again calls that the Director has carefully considered this matter but does not desire to have his portrait painted at this time.

There is attached a brochure reflecting the individuals whose portraits have been painted by Mr. Fox.

Jack Adams of AP at 11:15 a. m. today, told Wick that the AP board in New York received a cable from an affiliate magazine in Munich, Germany, requesting to purchase from AP the photograph of "J. Edgar Hoover's wedding ten years ago to the mother of Jane Russell."

Adams explained he did not know the identity of the Munich magazine making the request nor the reason for it. He stated such publications are referred to as affiliates of AP in that they may purchase AP photographs and wire stories but are not members of AP in the sense that they have a voice in AP management.

Wick told Adams AP could reply that "Mr. Hoover is a bachelor and has never married." Adams said he thought the Director would get a kick out of this and that is why he passed it on to us.

FBI Head Could List Red I. A.

By DAVID SENTNER

Chief Los Angeles Examiner
Washington Bureau

For no reason what said Theobald, the Washington tavern driver as we passed the White House.

What I remarked co-operatively.

I am going to quit early and write a letter to Ike which will supply a most powerful idea, said Theobald.

Tell it to me, instead I suggested, and I will present it to our Dear Public. Then it will be unnecessary for you to leave your passengers in the lurch.

Is a deal, said Theobald. My idea concerns our plan to expose the matter of indirect aggression by Communist Russia in the Mid-

is quite a nifty remark, I said.

All I am saying, continued Theobald, is that what is I. A. in Lebanon is pretty much the same in the U. S. A. and maybe worse.

Perhaps you have something, I said, and perhaps Mister Khrushchev might agree not to commit any more indirect aggression in our country.

That would be just dandy, said Theobald. Mister Khrushchev would make another agreement like the one he made to come to the United Nations Security Council Summit meeting. I am naming FBI Director Hoover again.

That is what I said

DAVID SENTNER — WASHINGTON WINDOW

FBI's Hoover Much Concerned With 'Indirect Aggression'

YOU KNOW what, said Theobald the Washington taxicab driver as we passed the White House . . .

What? I remarked cooperatively.

I am going to quit early and write a letter to the paper which will supply a most powerful idea, said Theobald.

Tell it to me, instead, I suggested, and I will present it to our dear public. Then it will be unnecessary for you to leave your passengers in the lurch.

It is a deal, said Theobald. My idea concerns our plan to expose the matter of indirect aggression by Russia in the Middle East and elsewhere before the upcoming special meeting of the UN General Assembly.

Secretary of State Dulles says Moscow has been brain-trusting indirect aggression in North Korea, North Vietnam, East Europe and all over.

PRESIDENT Eisenhower says we have told the world of 125 incidents of I. A. by the Communists in Lebanon alone.

Now, I say this . . . let us have FBI director J. Edgar Hoover address the UN General Assembly and show them how Russia has been committing indirect aggression against us Americans for almost forty years, ordering their agents to bore inside our government, schools, labor unions, etc.

If indirect aggression must be stopped to prevent World

War III, as Mister Dulles says, then we better start in our own front yard.

FBI Director Hoover could give the UN 125 times 125 incidents of how Russia is giving us the I. A., and how.

I am afraid, I put in, that such a unique parliamentary proposal as presenting FBI evidence of Communist subversive activities in the U. S. before the UN would open us to charges of witch-hunting.

If J. Edgar Hoover is a witch hunter, said Theobald, then let us buy him more broomsticks and make Halloween a national holiday.

I suppose you think that is quite a nifty remark, I said.

All I am saying, continued Theobald, is that what is I. A. in Lebanon is pretty much the same in the U. S. A. and maybe worse.

Perhaps you have something, I said, and perhaps Mister Khrushchev might agree ~~not to~~ commit any

more indirect aggression in our country.

THAT WOULD be just dandy, said Theobald; Mister Khrushchev would make another agreement like the one he made to come to the UN Security Council meeting. I am paging FBI Director Hoover again.

Meaning which, I said.

I would have Director Hoover also present to the UN general assembly the 125 times that the Soviet Union has broken its agreements, beginning with its promise not to conduct any more subversive activities in the U. S. after we recognized them.

Remember, I said, the Supreme Court has ruled that Communists cannot be convicted of overthrowing our government unless they are caught in the act.

Maybe, said Theobald, we can get those bigwig justices to listen in on Director Hoover when he tells it to the UN.
