In this connection, it is noted that the subjects were released on bond by the U. S. Commissioner and a preliminary hearing has been tentatively set for 4/15/65. The Department has indicated that a Federal Grand Jury is tentatively scheduled for 4/5/65 which would eliminate the necessity for a U. S. Commissioner's hearing which would result in exposing the informant. The state grand jury is reportedly set for 4/19/65.

Dear Mr. Hoover,

I was very much moved and upset and deeply ashamed of some of the American people we have in our country when I heard of the death of Mrs. Liuzzo. I was born in Dallas County, Alabama near Selma and now I'm ashamed of being associated with it. I greatly appuladed Mr. Johnsons attack on the Klu Klux Klan because I know they are terrible people and I would do anything I could to get them out of Alabama and the U. S. I would greatly appreciate if you could give me any advice on getting rid of the Klansmen. I also would like to tell you that I'm 100% behind your actions for some day I hope being an F. B. I. agent.

Inspector McGovern advised that Attorney Matt Murphy had been trying to get in touch with our informant who is one of the subjects in this case.

According to McGovern, Birmingham informant had been contacted by [redacted] who is identified as a close personal friend of the informant. According to the informant, [redacted] Murphy had stated that if the subject (our informant) did not get in touch with Murphy that Murphy was going to "come off" of his bond. Birmingham Office desired to know whether or not the informant should get in touch with Attorney Matt Murphy, who of course is the Klan attorney.

ACTION

Inspector McGovern was advised that inasmuch as the Department had been greatly concerned about the informant's relation as client with Attorney Matt Murphy and as Departmental Attorney St. John Barrett had fully discussed the case with the informant on 3/31/65, the matter as to whether or not the informant should contact Murphy as an attorney in connection with this case should be brought to the attention of Departmental Attorney Barrett. McGovern was instructed that Birmingham should follow the advice of the Departmental attorney in this matter.

With regard to the relationship of subject Gary Thomas Rowe, Jr., who is also the informant in this matter, with Ku Klux Klan Attorney Matt Murphy, who arranged for posting his bond on March 26, 1965, Mr. St. John Barrett of the Civil Rights Division talked to Rowe extensively on March 31, 1965.

Mr. Barrett established that, although Matt Murphy is Rowe's attorney of record, Rowe does not consider Mr. Murphy to be his attorney and Rowe would not retain Mr. Murphy if his case were to go to trial. Mr. Barrett advised our Birmingham Office that he is satisfied that Mr. Murphy does not represent subject Rowe.

Mr. Barrett further advised that the Federal Government will not prosecute Rowe and that, although he could make no statement regarding state prosecution if the state initiates prosecution against Rowe, the Federal Government will stand behind him as far as it possibly can. Mr. Barrett said he would so advise Rowe of this.

Dear Mr Hoover:

..for the wonder-

In this incident
you and your staff made up for

Note was received March 26th from captioned individual in which she congratulated the Director upon the rapid solution of the recent killing of the civil rights worker in the vicinity of Selma, Alabama. In her note the correspondent states flatly that the Ku Klux Klan was responsible for this death.

The correspondent goes on to say that in solving this case the Director and the FBI made up for "the lack in Kennedy's shot, which could have been avoided by men (investigators) who allowed Oswald to get by without requesting Oswald to open that paper package." It is apparent that this correspondent has her facts completely mixed up with respect to the assassination of the late President Kennedy.

Bufiles contain no information concerning captioned individual.

OBSERVATIONS:

If we were to write to this individual we would be in a position of accepting her congratulations and at the same time explain to her our position concerning the assassination of President Kennedy.

[REDACTED]
 [REDACTED] National Association For The Advancement of Colored People (NAACP), Detroit, Michigan, stated that both VIOLA LIUZZO and her husband, ANTHONY JAMES LIUZZO were members of the NAACP at Detroit.

[REDACTED] recalled that his only contact with Mrs. LIUZZO was in September of 1964, at which time she came to the NAACP offices to advise that she had just been convicted in Detroit Recorders Court for failing to send her children to school and that she had wanted this conviction to demonstrate what she considered an injustice in allowing children age sixteen to drop out of school and that she thought that this should be changed so that children could not drop out of school until age eighteen.

Mrs. LIUZZO stated that while in court she had seen a young Negro girl who appeared to be suffering from malnutrition and that this girl had been convicted of some minor offense. Mrs. LIUZZO stated that she had wanted to offer the unknown Negro girl money, but did not want to embarrass her and she requested that [REDACTED] make an effort to identify the girl and that she, Mrs. LIUZZO, would then provide funds. Mrs. LIUZZO made this statement that, "To get involved is my Christian duty".

September 21, 1964 Reported with daughter, SALLY. VIOLA rambles and talks so it is very difficult to follow any one train of thought. She is probably above average intellectually, however, she is quite disturbed.

September 28, 1964 Telephone call from husband VIOLA went in Detroit Memorial Hospital - nervous breakdown. Continues to talk about children and her concern about the present school set up, etcetera. VIOLA rattles on so much in such a confused way it is very difficult to follow her train of thought.

October 23, 1964 Reported.

November 9, 1964 Reported with daughter, PENNY, who is a very attractive girl. She intends to attend Eastern College in January, 1965. PENNY visiting parents. MARY is now married, but VIOLA does not know who MARY married.

December 7, 1964 Telephone call requesting permission to be excused from reporting - says children are ill.

[REDACTED] stated that VIOLA LIUZZO, while waiting to see her, had written the following poem which she presented to [REDACTED] 6

"ETERNITY?"

"Beneath a dark and dreary night
There stands a man within God's sight
He, alone, can tear away
The power of night that forms a day
So relentlessly this man trods on
To search for what something he fears longgone

DE 44-643

6

"Hence from rising sun, to an endless day
He is never still for he cannot say
So above or below the mud or the rain
He thrashes on through an unknown terrain
So often he's tired; so often he's pained
Yet he still struggles on to the peak he must gain
This peak will he reach? Can this man refrain
From surrender to pain, the cost of life's gain
Ah! the peak he has reached, he did not refrain
Thus everything ventured was everything gained
Tranquil peace is the peak and now also
his right
So he now lies forever, joined with God
in sight

"Truth is not Christian, Jewish, Hindu or Buddhist.
What is true for one man is true for all men. Just as
there is no such thing as Christian medicine, Jewish
biology or hindu".

Also in the personnel file for Mrs. LIUZZO, according to [REDACTED], is a five page handwritten letter which Mrs. LIUZZO addressed to Mr. BERNARD FUSS in October, 1963, explaining her reason for resigning from her employment at this hospital. [REDACTED] said that Mr. FUSS at the time was the Associate Director of the Hospital.

[REDACTED] advised the letter refers to a misunderstanding which Mrs. LIUZZO apparently had with Mr. SIDNEY KOBERNICK, who was in charge of the laboratory at the hospital where Mrs. LIUZZO worked. He said the misunderstanding involved some tissue slides on which Mrs. LIUZZO worked and the letter also explained that her work at the hospital laboratory had begun to interfere with her pursuit of study at the Wayne State University. b7C.

Date 4/1/65

[REDACTED], Sinai Hospital of Detroit, 6767 West Outer Drive, Detroit, Michigan, advised that Mrs. VIOLA LIUZZO was employed [REDACTED] during the short period of time Mrs. LIUZZO worked in the laboratory of this hospital.

[REDACTED] recalled that her first contact with Mrs. LIUZZO was early one Sunday morning shortly prior to her beginning work at the hospital laboratory when she encountered Mrs. LIUZZO getting out of one of the cots in the laboratory area. [REDACTED] explained that she had weekend duty and had come on duty early that morning not anticipating that anyone would be in the laboratory since it is the practice of the hospital for the laboratory area to be completely secured during the evening hours.

[REDACTED] stated there was also an unidentified woman occupying one of the cots with Mrs. LIUZZO. [REDACTED] recalled that Mrs. LIUZZO was dressed only in a hospital gown, which contained some blood stains. The other unidentified woman was dressed in street clothing.

Upon this encounter, Mrs. LIUZZO commented, "Oh! you're [REDACTED]", and [REDACTED] responded, "That was correct" and inquired as to the reason for Mrs. LIUZZO's unexpected presence in the laboratory. b7c

According to [REDACTED] Mrs. LIUZZO's only explanation was that she was there to volunteer for laboratory experimentation. [REDACTED] explained the hospital does have a program that individuals voluntarily appear for laboratory experimental work; however, upon checking, she found no record that such an arrangement had been made with Mrs. LIUZZO and she was never able to determine why Mrs. LIUZZO was in the laboratory on this Sunday morning.

[REDACTED] stated that during Mrs. LIUZZO's employment, she was one of the individuals present in a group of medical technicians [REDACTED]

ENCLOSURE

ENCLOSURE

**DIXIE KLANS, KNIGHTS OF
THE KU KLUX KLAN, INC.
(Tennessee)**

Confidential Sources advised it was announced at a meeting of Klavern #1, U. S. Klans, Knights of the Ku Klux Klan, Inc., at Chattanooga, Tennessee, on September 17, 1958, that some former leaders of Klavern #1 and their close associates had been banished from U. S. Klans, Knights of the Ku Klux Klan, Inc., during the preceding week.

Sources advised those individuals who were banished formed a new klan organization known as Dixie Klans, Knights of the Ku Klux Klan, Inc., with headquarters in Masonic Hall, 2523 Glass Street, East Chattanooga, Tennessee. A general welfare charter was secured from the State of Tennessee on October 21, 1957, which charter lists some of the purposes of the organization as freedom of speech and association, rejection of forced integration, preservation of the Constitutions of the United States and of Tennessee, and preservation of the sovereignty of each state.

On July 15, 1964, source stated that the DK, KKKK, Inc., has one active klavern in Tennessee and two active klaverns in Georgia. He stated there are no other klaverns of this organization in any other states although attempts have been made in the past to organize klaverns in other states.

A Confidential Source advised during the fall of 1960 that a "den" of Klavern #1, DK, KKKK, Inc., Chattanooga, Tennessee, consisting of ten members and two alternates, including JACK WILLIAM BROWN, Imperial Wizard (National President) of DK, KKKK, Inc., JACK LEON BROWN, Exalted Cyclops of Klavern #1, Chattanooga, Tennessee (the local chapter president), and others, all listed as members of Klavern #1, DK, KKKK, Inc., Chattanooga, Tennessee, during July, August, and September, 1960, were reportedly responsible for five bombings of residences of Hamilton County, Tennessee, during July and August, 1960. Some of these members and alternates

of den held closed meetings and discussed bombings and other acts of violence. These meetings were reportedly closed and rank and file members of this organization unaware of such. All reported members and alternates of den interviewed during another investigation, denied knowledge of bombings or acts of violence, denied knowledge of "den" of DK, KKKK, Inc., and majority admitted membership of DK, KKKK, Inc.

Sources have reported as late as September, 1963 that for the past eighteen months or more, none of the DK, KKKK, Inc., members or leaders, including JACK WILLIAM BROWN, have discussed any acts of violence. In fact, during this period, 1962-63, Negroes have demonstrated at Chattanooga, Tennessee, seeking integration of public and municipal facilities. In addition to these demonstrations some of the public schools, Chattanooga, have been integrated during the fall of 1962 and the fall of 1963. During these demonstrations and the integration of these schools, JACK WILLIAM BROWN and other DK, KKKK, Inc., leaders at closed meetings of this organization, and on an individual basis, have instructed members of this organization to stay away from areas of demonstration by Negroes and schools where integration was occurring, not to participate in any demonstrations or attempt to interfere with any Negro demonstrations, violence or advocate any acts of violence or become engaged in any arguments over above matters.

From October, 1960 to July, 1964 no acts of violence have occurred at Chattanooga and vicinity. During this period, DK, KKKK, Inc., has continued to operate as an active organization and during the same period all municipal facilities, Chattanooga, have been integrated, the majority of public facilities, including theatres, restaurants, motels, hotels, and other facilities have been integrated, plus integration of schools during the fall of 1962 and the fall of 1963. All have been accepted peacefully with no demonstrations or acts of violence or discussion of acts of violence by DK, KKKK, Inc., members.

J. Edgar Hoover
Federal Bureau of Investigation
Washington 25, D.C.

Dear Mr. Hoover:

I have always been an outspoken supporter of the FBI. As long as you are it's head I am sure that I shall continue to be. May I congratulate you and your men for the swift action taken in the murder of the civil rights worker from Detroit.

However, I am alarmed at certain aspects of the case. These men deserve a fair trial just as any other American citizen does. The American judicial system remains vibrant only as long as it applies equally to all. One is truly innocent until proven guilty. But, I think that possibly the rights of these men to a fair trial has been violated.

Handwritten note:
To the Commission on the Assassination of President Kennedy

It would have been appropriate for the President to have announced the arrest of these men but it did not stop at that. Following the announcement of their arrest he noted they were members of the Klan. He then stated that the woman had "been murdered by the enemies of freedom". He went on to denounce the KKK. By associating these men with the Klan and then going on to strongly denounce the Klan the President has in effect given rise to guilt by association. This is a concept which should be outside of the law. Has not the President whose pronouncements carry such tremendous weight, somewhat prejudiced the American public against these men? Can they receive a fair trial? I doubt seriously that they can for the next few weeks if at any time.

I abhor violence and this murder is an act of ruthless and unmitigated crime. I honestly hope that the person or persons responsible will be quickly brought to the bar of justice. However, when brought to justice I trust they may receive the same rights under the law that others receive.

Sincerely,

SUBJECT: UNKNOWN SUBJECTS
VIOLA LIUZZO, VICTIM
CIVIL RIGHTS: ELECTION LAWS

Re my memo this morning instructing Inspector Sullivan at Selma to present the facts of this case to Acting Assistant Attorney General John Doar for immediate authority to get complaints and warrants against the subjects. Inspector Sullivan advised at 10:40 a.m. that Acting Assistant Attorney General Doar was working on this and the U. S. Commissioner was standing by and our Agents were standing by to sign the complaints. I told Sullivan to have our stenographers help in Montgomery if it would speed things up.

At 12:08 p.m. Inspector Sullivan advised the complaints and warrants were ready. He will send in a teletype with the wording of these documents for our information.

At 12:06 p.m. I advised Inspector McGovern in Birmingham to go ahead with the arrests. At 12:25 p.m. Mr. McGovern advised that all of the subjects were in custody. Wilkins was arrested at 11:07 a.m. in his car on highway 11 which leads to Tuscaloosa, Alabama. Thomas was arrested at Lorraine's Cafe at 11:08. Eaton was arrested shortly thereafter at his residence on Route 6 in Bessemer. (The above times are Central Standard Time, one hour behind us.) There was no difficulty encountered during the arrests and Agents will secure search warrants for the homes of Wilkins and Thomas.

[REDACTED] 6
of the subjects will be arraigned after they have been photographed, fingerprinted and processed at the Birmingham Office. They will be arraigned before U. S. Commissioner Louise Charlton.

At 12:45 p.m. McGovern was told to go ahead with the arraignment as soon as the subjects were processed and he should check with Inspector Sullivan as to how much bond is recommended by Doar. McGovern will advise the Bureau as soon as the subjects have been arraigned. I told McGovern and asked him to relay to Inspector Sullivan that no comment should be made to the press concerning these arrests inasmuch as the President has made the public release.

Approximately [redacted] years ago, [redacted] employed by [redacted] Sinai Hospital, Detroit. During this period, she became acquainted with VIOLA LIUZZO, who was employed by Dr. KODERNICK in a technical capacity. [redacted] described VIOLA LIUZZO as a woman of questionable character, who unnecessarily spent a great deal of time away from her home and children.

Mrs. VIOLA LIUZZO was dismissed from her employment at Sinai Hospital in 1963. [redacted] stated she was not aware of the complete circumstances surrounding VIOLA LIUZZO's dismissal; however, she has heard that [redacted] at Sinai Hospital came to work one morning and discovered Mrs. LIUZZO on a cot in one of the offices in an uncommunicated condition and covered with blood. b7c

[redacted] stated VIOLA LIUZZO was admitted to Sinai Hospital as a psychiatric patient shortly after this dismissal. Mrs. LIUZZO subsequently walked away from the hospital grounds, after which hospital authorities refused to readmit her.

On 3/20/65 at Detroit, Michigan File # Detroit 44-643

by IC [redacted] /smb b7c Date dictated 3/29/65

FEDERAL BUREAU OF INVESTIGATION

Date 4/2/65

SAMUEL LEROY EDMONDSON, age 17, advised that his home address is 1612B 16th Avenue North, Nashville, Tennessee. Currently he is staying in Saginaw, Michigan, where he is associated with the Saginaw Non-Violent Movement which is headquartered at 908 North Fourth Street, Saginaw. For the past two years, EDMONDSON and **LOUIS J. A. MILLER** have traveled and worked together in the interest of the Student Non-Violent Coordinating Committee.

EDMONDSON stated that he and **LOUIS J. A. MILLER** arrived in Selma, Alabama, about one month before the commencement on March 21, 1965, of the civil rights march from Selma to Montgomery, Alabama. They remained in Selma and later Montgomery until this march was completed.

EDMONDSON stated Mrs. **VIOLA LIUZZO** arrived in Selma about nine days prior to the commencement of the march and EDMONDSON and MILLER met her on the day of her arrival. Mrs. LIUZZO, while in Selma, worked out of the March's Headquarters at the First Baptist Church and made her automobile available for use in running errands, transporting persons and engaging in other pre-march activities. This automobile was a 1963 or 1964 light blue colored Oldsmobile or Pontiac two-door with Michigan license plate. From the day after her arrival until about March 19, 1965, MILLER drove Mrs. LIUZZO's car and EDMONDSON usually rode with him. MILLER made the arrangements with Mrs. LIUZZO for the use of the car. Subsequent to March 19, 1965, **LEROY MOULTON**, person who was riding with Mrs. LIUZZO on the night she was killed, drove Mrs. LIUZZO's automobile.

In Selma, Mrs. LIUZZO worked out of the March's Headquarter at the First Baptist Church. EDMONDSON saw her most every day but was not directly associated with her. The last time EDMONDSON saw Mrs. LIUZZO was about 3:00 P.M. on March 25, 1965, at the Dexter Avenue Church, Montgomery. She was accompanied by an unknown Negro male and was trying to locate her automobile. Mrs. LIUZZO was directed to go to the Graystone Hotel, Montgomery, because **LEROY MOULTON**, who had her car, reportedly was there. Mrs. LIUZZO was told to obtain her automobile from MOULTON because the latter did not have a driver's license.

by

Date dictated 4/1/65

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

EDMONDSON said that DAVE BEY, one of the march participants who stayed at the Torch Motel, Selma, told him that subsequent to 3:00 P.M. on March 25, 1965, he (BEY) saw Mrs. LIUZZO in a tavern in Montgomery with an unidentified Negro male. The name and address of the tavern was not indicated; however, it was believed to be located across from a park. DAVE BEY's home address was unknown to EDMONDSON; however, it might be obtained from March records maintained at Brown's Chapel in Selma.

EDMONDSON stated that while in Selma, Mrs. LIUZZO stayed with a Negro woman (name unknown) who had an apartment at the George Washington Carver Housing Project in Selma. Possibly the apartment number was 528C. In any event, one MARY DE BOSE, a resident of the same apartment house in that housing project, knew Mrs. LIUZZO and would be able to identify the person with whom Mrs. LIUZZO stayed.

EDMONDSON furnished the following directions by which one could locate the apartment where Mrs. LIUZZO stayed:

Starting at the First Baptist Church, proceed north on Sylvia Street to the alley which marks the south boundry of the housing project. There is an apartment house on the northeast corner of Sylvia Street and the alley. Proceed east down the alley to the fourth or fifth apartment. It was in one of these apartments that Mrs. LIUZZO stayed.

EDMONDSON had no knowledge of other places where Mrs. LIUZZO may have roomed in the Selma-Montgomery area. He was not aware that Mrs. LIUZZO received any type of medical attention and treatment or that she consulted a doctor while in Alabama. If she needed such treatment, she most likely would have contacted the medical unit and doctors for the march located at the First Baptist Church, Selma.

Date March 31, 19651

Detroit Recorder's Court Judge JOSEPH GILLIS March 26, 1965, stated that he recalled the case concerning VIOLA LIUZZO and said he was of the opinion that VIOLA LIUZZO was a "professional crusader". VIOLA LIUZZO was arrested on the complaint of Mr. WILLIAM LAKIN, an officer of the Detroit Board of Education, and was charged with "failing to send children to school". VIOLA LIUZZO complained at the time she was brought before Judge GILLIS that children in the Detroit school system were permitted to drop out of school at the age of 16 and that she felt that this was wrong and that children should not be permitted to drop out of school until reaching the age of 18 and it was for this reason that she refused to send her children to school. Judge GILLIS stated that he adjourned the case from June 16, 1964, to September, 1964, hoping that VIOLA LIUZZO would be able to adjust the matter without his aid. Before the case went to trial Judge GILLIS received a letter from the Detroit Board of Education stating that they did not desire to prosecute. Judge GILLIS stated that he was quite willing to drop the matter but that VIOLA LIUZZO, represented by an attorney, Mr. MC NALLY, whose first name Judge GILLIS did not recall, appeared in court in September, 1964, at which time VIOLA LIUZZO insisted on entering a plea of guilty. Her plea was accepted and she was fined \$50.00 and placed on one year probation. Judge GILLIS stated that after the trial he received information from the Probation Department of the Detroit Recorder's Court that VIOLA LIUZZO was emotionally disturbed and appeared to be on the verge of a nervous breakdown.
