The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

Underway." This headline was for a two-page article pertaining to urban guerrilla warfare techniques and was accompanied by diagrams and instructions on the building of homemade bombs. The article sets forth details of the capabilities of medium-sized bombs so that the "patriot" will have the same information already in the hands of "our leftist enemies."

Three additional pages of the "Fiery Cross" are devoted to an article captioned "Why Revolution?" This article points out that police and the Congress are no longer guardians or servants of the "System" and that it is no longer possible to work through the "System" by Constitutional methods. To correct the inequities, it is advocated that if blood and chaos and battling the "alien enemy" from house to house or bombing cities is necessary, then "it is better that we get on with it now than later." The article stresses the task should fall to radicalized youth through the National Youth Alliance.

The National Youth Alliance (NYA), originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election allegedly has as its purpose countering radical leftist and anarchist influences on campuses of American colleges and universities. It is controlled by individuals who militantly promote white racism and anti-Zionism and suggest violent revolution to accomplish their goals. National headquarters of NYA is located in Washington, D. C.

In view of this espousal of revolution and urban guerrilla warfare as a tactic to be followed by young Americans, you should promptly contact informants and sources to determine extent of relationship between UKA and NYA with regard to extremist activities and immediately notify FBI Headquarters of any such incidents that might occur where the UKA and/or NYA is involved.

Pertinent information should be furnished under the specific individual or organization case caption with a dual caption of "Urban Guerrilla Warfare; EM - White Hate."

This is to advise that United Klans of America, Inc. (UKA), Knights of the Ku Klux Klan, is placing emphasis on revolutionary and urban guerrilla warfare techniques as noted in UKA official publication "Fiery Cross" (copy attached) suggesting revolution be accomplished through National Youth Alliance (NYA).

The "Fiery Cross," Volume 7, Edition 10 (for October, 1972), which was distributed during November, 1972, carries a main headline "Revolution is Underway." The writer of the article indicates this article and future Revolutionary Notes are designed to provide the "patriot" with the same information already in the hands of "our leftist enemies" with the emphasis on "specifics of urban guerrilla warfare." Pages one and two set forth diagrams for construction of bombs and the article discusses making medium-sized bombs and the capabilities of such bombs. The medium-sized bomb is described as "one of the most useful tools in the arsenal of the urban guerrilla."

Three additional pages of the eight-page "Fiery Cross" are devoted to the article "Why Revolution?" This article points out that a government which claims to represent the vital interests of a multi-racial society is "not only unnatural but absurd" and that it is "no longer possible to cure the System, to bring Frankenstein's monster to heel, by

Constitutional methods." The article encourages the reader to wake up and realize the policemen on the corner and the Congressman in Washington are no longer either guardians or servants of the "System." The article states "we do not need to reason with the monster; we need to put a bullet into its brain and hammer a stake through its heart. If it means blood and chaos and battling the alien enemy from house to house in bombing cities throughout our land, then, by God, it is better that we get on with it now than later." It is suggested that task should fall to the radicalized youth and it is the responsibility of the National Youth Alliance to take a leading position in coming revolutionary developments.

The National Youth Alliance (NYA), originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election allegedly has as its purpose countering radical leftist and anarchist influences on campuses of American colleges and universities. It is controlled by individuals who militantly promote white racism and anti-Zionism and suggest violent revolution to accomplish their goals. National headquarters of NYA is located in Washington, D. C.

Offices covering NYA activities are already aware NYA advocates revolutionary techniques but this is first sign of overt Klan support of NYA activities. This is also a new technique for the "Fiery Cross," official publication of the UKA since 1961, to espouse urban guerrilla warfare and revolution. Almost all of its eight pages are devoted to this subject.

ACTION:

Attached for approval is an airtel to all interested offices having NYA activity or UKA units within their territories. Offices being informed of pertinent facts and instructed to determine extent of relationship between the organizations with regard to extremist activities and to immediately notify FBI Headquarters of any incidents that might occur where UKA and/or NYA involved.

Re Bureau airtel to Alexandria, etal, including captions as above and also United Klans of America, Incorporated (UKA); Knights of the Ku Klux Klan; EM - Klan (Bufile 157-370).

Referenced airtel advised that the UKA publication "Fiery Cross" for October, 1972, contained articles under the captions, "Revolution is Underway", and "Why Revolution?". The latter article advised that to correct inequities, it was advocated that if blood and chaos and battling the "alien enemy" from house to house or bombing cities was necessary, then "it is better that we should get on with it now than later." That article stressed the task should fall to the radicalized youth through the National Youth Alliance.

NATIONAL STATES RIGHTS PARTY

A source has described the National States Rights Party as an anti-Negro, anti-Semitic, white racist political party composed of past members of klan-type organizations and other right-wing groups.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY

The National Socialist White People's Party (NSWPP) also known as The American Nazi Party, American Nazi Party and the George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

The United Klans of America, Inc., was chartered in 1961, in Georgia. Its aims and purposes are the promotion of Americanism, white supremacy, and segregation of the races. It is the dominant Klan group in the South with headquarters at Tuscaloosa, Alabama, and is currently active in several states.

B. Other Activities

b2
b7d

The Jewish Defense League (JDL) founded in 1968 is composed primarily of young Jewish militants who consider themselves as defenders of "Jewish rights". Demonstrations attempting to dramatize the Jewish problem in Russia and similar demonstrations against Arab establishments have often resulted in violence. Rabbi Meir Kahane, founder

WFO 157-2278

and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish JDL aims.

An article captioned "Ex-Nazi Assaulted by Eggs, Stink Bomb" appeared as the lead story on Page One of the Monday, February 7, 1972, issue (Volume 68, Number 29) of "The Hatchet", student publication of The George Washington University. This article which confirmed the assault on PIERCE at The George Washington University on February 3, 1972, stated that the JDL claimed credit for the assault but that the Jewish Activist Front, a student organization of The George Washington University, disclaimed any responsibility for the incident. Reportedly, the incident involving PIERCE was deplored in a resolution by the University's Program Board.

The April 24, 1972, issue of "The Hatchet" (Volume 68, Number 47), carried an article by MICHAEL DREZIN entitled "Ex-Nazi Pierce Sues GW, Asks \$50,000 For Assault" at Page Two, Column One. PIERCE, reportedly, sought \$10,000 in compensatory damages and \$40,000 in punitive damages for the alleged assault and battery which resulted from the alleged negligence by officials of the university in connection with PIERCE's appearance on The George Washington University campus on February 3, 1972.

Records of the Federal District Court for the District of Columbia, Washington, D.C., as reviewed on October 31, 1972, confirmed "The Hatchet" story reported above. PIERCE's suit against The George Washington University (Case Number CA 651-72) asks for \$50,000 compensatory and punitive damages for injuries and damages suffered on February 3, 1972, due to the negligence of The George Washington University. The George Washington University answered PIERCE's complaint on May 9, 1972, and asked for dismissal of the suit after denying allegations of negligence.

b7d

b2
b7d

V. CONNECTIONS WITH OTHER ORGANIZATIONS

-A. The National Party

b2
b7d

The National Party has been described by its organizer, David Duke, as a separate right-wing political organization, open to the public. The party opposes violence, believes in the Constitution of the United States, white supremacy, and separation of the races. Aims of the National Party are to be obtained through elected officials. The National Party has replaced the White Youth Alliance with many former White Youth Alliance members joining the National Party.

The White Youth Alliance has been publicly announced to be the youth group of the National Socialist White People's Party.

The National Socialist White People's Party, also known as The American Nazi Party, American Nazis, and George Lincoln Rockwell Party, was organized on

February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

probably call upon approximately 1,000 such individuals, if

called at Wilmington, North Carolina, in the summer of 1972,
