DETAILS:-

Before the Hon. John C. Pollock, presiding Judge at trial of W. K. Hale and John Ramsey for the murder of Henry Roan, motion for new trial was filed by W. K. Hale, based on alleged newly discovered evidence set out in affidavits attached to Defendant Hale's motion, as follows:-

AFFIDAVIT OF JOHN RAMSEY - in which he denies that W. K. Hale ever had guilty knowledge of events leading up to or the murder of Henry Roan, and in which he alleges a conspiracy between Roy Bunch and Ernest Burkhart to have Roan murdered, and recites the details of alleged arrangements between Burkhart, Bunch and Curley Johnson to kill Roan. This affidavit also tells of the actual murder of Henry Roan by Curley Johnson with pistol furnished Johnson by Burkhart in presence of Burkhart and Ramsey in vicinity where Roan was killed by Johnson. Ramsey alleges numerous meetings with Bunch and Burkhart separately and collectively and the details of discussions and numerous money transactions with Ernest Burkhart, and other considerations in lieu of Ramsey's knowledge of and assistance rendered in bringing about the murder of Roan. The affidavit names Bill Revard and Amos Tucker as being present with Ramsey and Bunch when Bunch discussed murdering Roan, and names John Morris as keeper of Burkhart's funds and as being present when Burkhart paid Ramsey a sum of money. It names J.O. Evans as being in

My dear Sir:

Your records will disclose that the writer, together with the present Attorney General, signed the original complaint against W. K. Hale, and as a result of this complaint continued in the prosecution of the various defendants charged with murder in the Osage Nation.

I was particularly impressed with an operative in your department at that time named John Burger. Subsequent events have caused me to desire the counsel and information of your operative. May I, therefore, request you to assign Mr. Burger whom I now understand is working out of Kansas City to report to Oklahoma City and confer with me at such time as may be convenient to you and Mr. Burger's assignments?

Yours very truly,

*J. Perry King*

Hon. J. Berry King,  
Assistant Attorney General,  
State of Oklahoma,  
Oklahoma City, Okla.

Dear Sir:

I beg to acknowledge receipt of your communication of March 4th., requesting a conference with Agent Burger, of this Bureau.

Will you please advise me as to the extent of the conference desired by you with Mr. Burger? I assume that you would not need to detain Mr. Burger in Oklahoma City more than a day or two.

If this is the case I can very easily arrange in the near future for the conference desired, and upon receipt of letter from you, will take steps accordingly.

Very truly yours,

Director.

Dear Sir:

I appreciate your letter of  
March 8th, advising me of your willingness  
to permit Mr. Burger, one of your operators  
to confer with me relative to matters in  
which the State is interested.

I do not want to ask you to  
send Mr. Burger on a special trip, but I hope  
when he is in this vicinity you will be good  
enough to permit him to call at our office in  
order that I may get some information I under-  
stand he has relative to Osage Indian affairs.  
I am sure an hour or two would be sufficient  
and while there is no urgent reason, I would  
appreciate it if you would permit him to call  
upon me the first time he has other business  
in Oklahoma City.

Very truly yours,

*Edwin Dabney*  
Assistant Attorney General

TITLE: EARL SAVAGE MINNIE SAVAGE et al.	CHARACTER OF CASE: Murder of Charles Whitehorn, Osage Indian, on Restricted Indian Allotment.
---	--

O. C. File #70-53-8

SYNOPSIS of FACTS:

Investigation renewed on request of J. George Wright, Superintendent, Osage Indian Agency, based on newly discovered evidence thought to be in possession of one Monroe Harris which failed to materialize of interest. Locating and questioning of numerous witnesses which developed no new leads. All suspects previously investigated by state and private investigators. Taken into custody by County officials of Osage County and released account insufficient evidence to warrant prosecution.

CLOSED.

REFERENCE report of Agent John R. Burger, dated Aug. 13, 1924, captioned "W. E. Smith, et al--Murder Osage Indians", above report being a digest of facts and evidence re. murder of Charles Whitehorn, Osage Indian.

DETAILS:

- AT OKLAHOMA CITY -

Renewal of this investigation predicated on letter of J. George Wright, Superintendent, Osage Indian Agency, at Pawhuska, Oklahoma, to S.A.C. McKean under date of December 11, 1926, with enclosure (memorandum from J. M. Humphries, Tribal Attorney, under date of Dec. 7, 1926), advising that murder of Chas. Whitehorn occurred on a restricted Osage allotment, and that he was in possession of information indicating that a certain person committed offense.

- AT PAWHUSKA, OKLAHOMA -

J. M. Humphries, Tribal Attorney, stated that one Monroe Harris, employed by Indian Agency as janitor covering period of murder in question and owner of premises where Charles Whitehorn resided at time of murder, voluntarily stated to him that on the day Whitehorn was last seen alive, he (Harris) saw a man leave the

home of Whitehorn in a car with Whitehorn and drive up on Dial Hill where Whitehorn's body was later found murdered, and later returned to the Whitehorn home alone.

- AT MEMPHIS, TENNESSEE -

Monroe Harris, now an inmate of the Government Marine Hospital, was interviewed by this Agent and stated that one Minnie Savage rented a house from John Pawluska; that Charles Whitehorn and wife occupied apartments at this residence; that there was a man hanging around there by the name of Savage, a relative of Minnie Savage; that on a date (which informant is unable to establish either by day, week, month or year), which he does not remember, he met Minnie Savage and Hattie Whitehorn, wife of deceased, leaving their home going in direction of business section of city; that soon after they left he saw the man, Savage, and Charles Whitehorn come out of the house, get into a car (the kind, informant does not recall), Savage driving with Whitehorn riding on back seat; that they drove away going up the hill and in the direction of Dial Hill; that later he saw Savage at the house but never again saw Whitehorn alive.

This informant, though reputed to be honest and reliable, is of a very low mental type and has suffered a paralytic interference which has impaired his articulation to the extent that it is very difficult for him to talk and be understood. Upon being questioned in detail, it is very apparent that informant is very uncertain as to just what he did see.

- AT OKLAHOMA CITY -

Minnie Savage and Hattie Whitehorn were questioned separately in detail by this Agent and by this Agent and U. S. Attorney Roy St. Lewis, but failed to establish corroboration of Monroe Harris' allegations, or any information or leads concerning murder of Whitehorn.

Attention is respectfully called to the fact that an extensive investigation was begun shortly after the murder of Whitehorn by private detectives, employed by wife of deceased, and state and county officials of Osage County, resulting in the arrest of Minnie Savage, Earl Savage, Hattie Whitehorn, Dewey Sutton and others by County officials and their later release on account of insufficient evidence to warrant prosecution.

In the absence of leads to warrant further investigation at this time, by instructions of Special Agent in Charge,

Dear Sir:-

Attention Division One:

Reference is made to your letter of March 24, in which you instructed that I proceed to Oklahoma City, and confer with Mr. J. Berry King, Assistant Attorney General of the State of Oklahoma. I beg to advise that I proceeded to Oklahoma City and conferred with Mr. King on March 31.

What he desired was information concerning the murders in Osage County which are now pending in the State Courts. He was especially interested in securing all available information concerning the details of the death or murder of Attorney Vaughn, whose body was found, apparently having been thrown from a moving train, while Vaughn was on his way from Oklahoma City to Pawhuska, after he had conferred with an Indian client, named Bigheart, who later died under suspicious circumstances in Oklahoma City.

I gave Mr. King the benefit of all the information collected by me during the period that I worked on the Osage murder cases.

Very truly yours,

MAY 16 1927  
BUREAU OF INVESTIGATION

Dear Sir:

Attention: Division #2.

With reference to my letter of the 26th ultimo advising that Agent F. S. Smith had been instructed to continue to assist for an additional period of not more than two weeks, T. J. Leahy, Osage Tribal Attorney and C. K. Templeton, County Attorney of Osage County, Oklahoma, in the investigation of the murder of Anna Brown, please be advised that Agent Smith completed the assignment in question on May 7th last and returned to Oklahoma City.

Agent Smith informs me that in the course of his investigation he interviewed numerous persons at Pawhuska, Fairfax, Shidler, Ralston, Oklahoma, and vicinity, in an effort to secure witnesses who could corroborate the state's evidence previously obtained and who could impeach defense witnesses suspected of having given perjured testimony at the previous trial of this matter. Agent Smith advised that he was successful in uncovering witnesses of this character and also in developing new evidence refuting the perjured testimony of the defense. Agent Smith also secured evidence to be used to rebut a concerted plan of the defense to impeach important state witnesses.

The information and facts developed by Agent Smith were submitted to Mr. Templeton and Mr. Leahy, both of whom expressed their appreciation for the services rendered by the Bureau in this connection.

This letter is to advise you of Agent Smith's return to headquarters and to, in a general way, set forth what he endeavored to do in the way of assisting the state in the investigation

In view of the fact that this investigation was for the sole purpose of assisting the State of Oklahoma, it was felt that you would not care to have investigative reports submitted covering same. In the event you do, however, please so advise me and I will have a report prepared and forwarded at once.

Yours very truly,
