This entire communication is classified "SECRET"

On December 15, 1992, [redacted] was interviewed by a  
Special Agent of the Federal Bureau of Investigation (FBI) and  
furnished the following information:

During the [redacted] he visited Vietnam and  
learned of the location of the remains of 6 American servicemen  
killed during the Vietnam war.

During 1974 a Vietnamese fisherman found the wreckage  
of an American helicopter which contained the body of the pilot.  
The fisherman later sold the remains to a friend of [redacted] who  
buried the body. The dog tags taken from the body show the  
identity of the pilot as " ROBERT E. WILLIAMS, U.S. 54666154, O  
POS, CH. OF CHRIST."

During 1972 a friend of [redacted] found the wreckage  
of an American helicopter which contained the body of the pilot  
who had been shot in the head. This body was also buried. The dog  
tags taken from this body show the identity of the pilot as "  
JAMES G. RNOED, RA 1398877, B, Roman Catholic."

AMERICAN SERVICEMEN PRISONERS OF WAR (POW)  
OR MISSING IN ACTION (MIA)  
IN INDOCHINA  
FOREIGN COUNTERINTELLIGENCE  
SOCIALIST REPUBLIC OF VIETNAM

Sometime during the war 4 U.S. soldiers went to a party in the city of NHA TRANG where Vietnamese prostitutes were in attendance. The prostitutes were actually working for the North Vietnamese Government and the soldiers were shot and killed during the party. The bodies are buried between 2 houses in NHA TRANG and the area is presently covered by concrete. This information came to light after the prostitutes began bragging about the killing of the soldiers. These soldiers are identified as follows:

COBBS, JOSEPH, 432-92-4933, B. POS.

BROWN, CHARLES C., RA12940057, OP , 417-66-1260,  
BAPTIST.

SMITH, MICHAEL J., RA 15687065, 299.3632080, PROT.

DALTON, BRUCE, RA16978547, O, 47550672, CATHOLIC.

He [REDACTED] was given one piece of bone each from the 2 helicopter pilots, as well as the tracing of the ROBERT E. WILLIAMS dog tag, all of which he turned over to [REDACTED] of the Philadelphia, Pennsylvania Police Department, in hopes of proving the existence of the remains.

The only way that the American government can take possession of these remains is through him because the Vietnamese citizens who have possession of the remains or who know their location fear reprisals from the current Vietnamese government if they contact the American government directly, or if the government learns that they have information regarding American remains.

Upon meeting with source, source advised that source had been contacted by individuals who had just returned from the SRV and, while there, had been provided with documentation to the effect that an American military member who was being carried as an "MIA" was in actuality, alive and well and living in the southern SRV. Source prefaced his comments with the fact that source thought the information was "pure garbage", but provided it to the FBI to fulfill his promise to his friend.

Upon reviewing the letter, source advised that in sources opinion the letter was written by someone from the Southeast Asia area, and specifically mentioned either, Laos, Thailand or Cambodia. SF concurs with sources assessment based on the scripted writing style. SF also noticed that the syntax and grammar are indicative of someone having an Asian background. It should also be noted that the letter is contradictory in first calling the person "CAPTAIN" and then signing the letter "THE COMMENDED (SIC) LARRY J. STEVENS". The word "COMMENDED" is misspelled throughout the letter.

The letter alleges that STEVENS has been living with FULRO Montagnard hill people for almost 20 years and is barely holding out. STEVENS states his DOB is 04/13/31, and that he has a serial number of USA-54826-34-535-47, which is not consistent with normal military serial numbers or SSANs utilized later in place of service numbers.

Also of note is STEVEN's place of birth is listed as Long Beach, CA 90453. After the POB is listed a phone number of (813)-572-8326. This phone number and area code are not valid for Long Beach, CA.

 reveals that there is a LARRY JAMES STEVENS listed as having a presumptive finding of death, on Feb. 02, 1969. STEVENS is stated to have been an A-4C crewmember shot down over Laos, and as having been a Lt-JG (O-2).

Due to the fact that there is a LARRY J. STEVENS listed in the DIA reference book ref supra, SF opines that DIA is in a better position to analyze the photo and the content of the letter than SF.

SF knows that LARRY J. STEVENS has been the subject of much controversy, having appeared in other photos purporting to be STEVENS and 2 other alleged POWs being held in Cambodia.

This photo, showing all 3 individuals standing together with a sign, was subsequently found to be false and to be a photo from a Soviet agriculture magazine from 30 years ago.

SF would be interested in any comments that DIA might make regarding the enclosure and the identity of the individual in the photograph alleged to be LARRY J. STEVENS.

As indicated in referenced [REDACTED] letter,  
[REDACTED] requests a definitive effort from the Department of  
Defense (DOD) to analyze fragments of fingerprints that are on an  
August, 1990, cryptic code in his possession which is believed to  
possibly be fragments of fingerprints of Missing in Action (MIA)  
[REDACTED]. A few months ago DOD acknowledged  
possession of "a" print card of [REDACTED]. This code and the  
fragmented prints were gathered through the efforts of  
Congressman Robert Clement, [REDACTED]  
and others.

[REDACTED] also reiterated a request to DIA to  
jointly analyze a copy of a print card of MIA Andre Guillet with  
latent prints found on another cryptic code in his possession.  
[REDACTED] believes that the multiple prints on this code may  
belong to MIAs John Bernard Causey, Robert Charles Link, Larry J.  
Stevens, Albro Lundy, Jr., and John L. Robertson. [REDACTED]  
is also requesting a confirmation of the existence or lack  
thereof of a rolled fingerprint card for Robert Charles Link, the  
other four cards now apparently inaccessible, according to

previous DOD assertions. DIA Headquarters contacted FBIHQ and requested the following assistance, as set out in the lead, in regard to this matter. FBIHQ concurs with this request and sets the following lead for FBI Memphis.

LEAD:

Memphis Field Office at Nashville, Tennessee: *201-81-670*

Is requested to contact and interview [REDACTED]

Tennessee, as requested by the Defense Intelligence Agency (DIA).

DIA requests that the FBI contact and interview [REDACTED] in detail as to how he came to be in possession of the cryptic codes with latent fingerprints of MIAs, to include the identifying information of individuals associated with the acquisition of these items. This identifying information should include at a minimum full name, contact address, and telephone number.

DIA also requests that the FBI obtain the items which [REDACTED] possesses, and compare the latent fingerprints on these items with the rolled prints of those MIAs named which are on file with FBIHQ, Laboratory Division.

[REDACTED] requested that his expert be allowed to also review the latent prints with the rolled prints we have on file at FBIHQ. Memphis is to inform [REDACTED] that this would not be possible. Advise [REDACTED] that the items [REDACTED] possesses will be sent to FBIHQ for analysis and comparison and, in accordance with standard procedure, will be provided to DIA for final disposition, along with a written report of our findings. In addition, advise [REDACTED] that the FBI is providing technical assistance in the form of latent fingerprint analysis and comparison for DIA, and that any follow-up investigation with [REDACTED] and named associates to the receipt of the items provided by [REDACTED] is left to the discretion of DIA. Memphis is to advise [REDACTED] that the FBI has no further specific information regarding the named MIAs and that the responsibility for the investigation of POW/MIA

matters belongs to DIA. [REDACTED] is to be advised that the DIA point of contact is DIA Reports Manager [REDACTED] telephone number (703) 908-2756. FBI Memphis can advise [REDACTED] that the FBI does have a set of rolled fingerprints of MIAs Dwight Pollard Bowles and Robert Charles Link on file at FBIHQ.

The results of FBI Memphis interview of [REDACTED] should be sent to the attention of FBIHQ, INTD, CI-2C Unit, SSA [REDACTED] (telephone number (202) 324-8309), in an unclassified disseminable teletype. The physical items, with a request for latent fingerprint analysis and comparison to the rolled fingerprint cards of the above named MIAs, are to be sent under separate cover to the attention of Fingerprint Specialist [REDACTED] FBIHQ, Laboratory Division, Room 10903, with an information copy to SSA [REDACTED]

NOTE: This provides the Memphis Field Office with copies of a DIA letter and a letter from [REDACTED] regarding a MIA matter. It also tasks Memphis with contacting [REDACTED] to solicit more information and provides guidelines of information that may be divulged to [REDACTED]

TEXT: ON/ABOUT 3/22/93, [REDACTED] A VIETNAMESE EMIGRE WHO JUST RECENTLY ARRIVED IN THE U.S. UNDER THE H.O. PROGRAM OF THE ORDERLY DEPARTURE PROGRAM CONTACTED THE SAN FRANCISCO (SF) OFFICE OF THE FEDERAL BUREAU OF INVESTIGATION (FBI) THROUGH A RED CROSS RESETTLEMENT WORKER, AND REQUESTED THAT AN FBI SPECIAL AGENT (SA) CONTACT HIM. SOURCE STATED THAT THIS RUMOR WAS KNOWN TO MEMBERS OF THE SRV GOVERNMENT AND THE SRV WAS ACTIVELY INVOLVED IN THE SEARCH OF CRASH SITES TO LOCATE AND ACQUIRE U.S. HUMAN REMAINS FOR EVENTUAL RESALE TO THE U.S. GOVERNMENT. [REDACTED] STATED THAT MUCH OF THIS WAS DONE ON BASED ON PERSONAL GREED AND NOT ANY DESIRE TO ASSIST THE U.S. AND THE SRV IN RESOLVING THE POW/MIA STUMBLING BLOCKS TOWARDS RECOGNITION AND LIFTING OF THE EMBARGO.

IT WAS SUBSEQUENTLY STATED BY [REDACTED] THAT THIS RUMOR WAS FOUND TO BE FALSE. [REDACTED] THEN STATED THAT THE SRV GOVERNMENT MADE AN EFFORT TO RECOVER ANY OF THOSE REMAINS FOUND AND KEPT BY THE LOCAL POPULACE IN HOPES OF USING THEM AS BARGAINING CHIPS IN POLITICAL NEGOTIATIONS. [REDACTED] ADVISED THAT MANY SUCH REMAINS WERE TURNED OVER TO THE SRV GOVERNMENT, BUT ALSO ADDED THAT MANY WERE NOT TURNED OVER. COMMENTS/ANALYSIS:

THIS IS AN OFT TOLD STORY, ONE WHICH SF HAS HEARD REPEATEDLY, PARTICULARLY ABOUT THE SRV WAREHOUSING OF REMAINS OF MIA/KIA U.S. MILITARY MEMBERS. BASED ON INFORMATION PROVIDED TO SF BY DIA ON PAST SIMILAR REPORTS IT IS KNOWN TO BE TRUE THAT THE SRV HAS INDEED WAREHOUSED REMAINS BUT HAS NO SPECIFICS AS TO WHERE, HOW MANY ETC. SF NOTES THAT THIS SOURCES REPORT IS UNIQUE INASMUCH AS IT GIVES A SPECIFIC PERSON IN THE SRV TO CONTACT REGARDING THE WHEREABOUTS OF 2 ALLEGED SETS OF REMAINS OF U.S. MILITARY MEMBERS, AND STATES

[REDACTED] claimed to be a high-ranking former military officer with the South Vietnamese Army. [REDACTED] stated that he believes [REDACTED] was involved in the HO program in 1990 and was preparing to leave the country. [REDACTED] stated that while talking to [REDACTED] produced approximately 30 U.S. dog tags. [REDACTED] stated that he was interested in turning the dog tags over to the United States government in exchange for monetary remuneration. [REDACTED] asked [REDACTED] if he could do some checking for him when he returned to the states on the feasibility of being paid for the information. [REDACTED] stated he observed [REDACTED] make rubbings of each of the dog tags. These rubbings were subsequently given to [REDACTED] for return to the United States. In addition, [REDACTED] was given several letters, along with a color photograph.

[REDACTED] advised that he has not shown this information to anybody since he returned in 1990. At this time [REDACTED] is not attempting to receive any monetary consideration. [REDACTED] indicated he had tried to contact [REDACTED] in Saigon by mail but was unsuccessful. [REDACTED] stated that he looked at all of the dog tags in the custody of [REDACTED] and verified that the rubbings were of the dog tags he had seen. All of the rubbings indicate a location written in Vietnamese where the body can be located. [REDACTED] also provided what he claims are bone fragments from serviceman PATTERSON. Three small separate packages of alleged bone fragments were also provided to SA [REDACTED]. SSA [REDACTED] was contacted due to his previous contacts with the Senate subcommittee investigating the MIA/POW issued.

In addition, [REDACTED] stated that his grandfather's brother currently living in Vietnam knows the exact location of the burial of three U.S. servicemen. [REDACTED] stated that his grandfather's brother has been reluctant to reveal the location to anyone in the Vietnamese government due to severe retribution. [REDACTED] believes that on a return trip to Vietnam he could locate and identify the exact area for any interested U.S. government party.

On March 16, 1993 at 6:00 p.m. [REDACTED]  
[REDACTED] Los Angeles, California, [REDACTED]  
contacted Officer [REDACTED] Los Angeles Police Department  
regarding the "remains" of a U. S. soldier that he had been given  
while visiting Vietnam in February 1992. [REDACTED] did not know the  
name of the person who gave him the remains nor did he know where  
they had been recovered. [REDACTED] gave Officer [REDACTED] a glass screw  
top jar. A second Los Angeles Police Department officer,  
[REDACTED] delivered the glass jar containing the "remains" to the  
Los Angeles County Medical Examiner. On March 19, 1993, Dr.  
[REDACTED] looked at the contents of the jar and noted that it  
contained photocopies of dog tags and an identification card.  
Notes had been made in both the Chinese and Vietnamese languages.  
Dr. [REDACTED] contacted the Federal Bureau of Investigation.

Dr. [REDACTED] was recontacted and indicated that the  
County Laboratory would conduct certain tests and then consider  
releasing remains to the Federal Bureau of Investigation and/or  
Defense Intelligence Agency personnel. The jar and its contents  
were released to the Federal Bureau of Investigation on April 30,  
1993. There were no tests conducted by the Los Angeles County  
Medical Examiner.

DETAILS:

Reference DIA letter, 5/6/93, requesting FBI assistance. The artifact mentioned in referenced letter is the capsule of an F-111 shot down during the Vietnam war and sent to Moscow and placed in the Moscow Museum. The point of identification is a partial aircraft identification number on the side of the capsule. Photographs of the questioned aircraft identification number were obtained by DIA's Special Office of POW/MIA Affairs and sent to the FBI for analysis. The Special Photographic Unit analyzed the photographs and the results were inconclusive. The best way to conduct a full and conclusive identification is by analyzing the physical item itself via infrared photographic processes.

The item is too bulky to ship to the United States for analysis.

As a result, DIA's Special Office for POW/MIA Affairs is requesting that SSA [redacted] and one additional FBI employee travel to Moscow, Russia, and conduct a full and conclusive analysis of the actual F-111 capsule in order to identify the identification number of the aircraft.

[redacted] DIA, is the point of contact in this matter.

The camera and lighting equipment needed are transportable and complete. All equipment is maintained by the Special Photographic Unit. The anticipated travel dates are 6/1-4/93.

The following are the official Bureau names of the FBI employees who will travel to Moscow, Russia, in order to conduct an analysis of the F-111 capsule in question:

On April 27, 1993, [redacted] employed as an Investigator for the Pierce County Court System, personally advised the undersigned that he had been in contact with three Cambodian persons in [redacted] area, who advised him that they had information on American Military personnel who were missing in action from the Vietnam War. [redacted] requested that the undersigned accompany him to [redacted] to meet with the three individuals.

At approximately 3:00 p. m., an interview was conducted of the following individuals:

Address:

Date of birth:  
Place of birth:

[REDACTED]

[REDACTED] advised that in January of 1993, while on vacation in [REDACTED] Cambodia, she was staying at [REDACTED]. She advised that from previous trips, as well as in her business contacts in [REDACTED] area, she had met [REDACTED] on a number of different occasions. She advised she observed a group of five or six people on two or three occasions over the period of a few days having meetings with [REDACTED] and her curiosity got the best of her, and she asked him who these people were. It was at this point [REDACTED] confided in her that this group of individuals knew of the location of a number of American POW's, located, both, in Vietnam, as well as Cambodia. [REDACTED] then interjected that he had information concerning two POW's: the first named CLAUDE CLEMENT, date of birth September 23, 1953; and a Colonel JOHN LIGHTON ROBERTSON, who allegedly was shot down over Vietnam September 16, 1966.

[REDACTED] also advised there were approximately 23 or 24 additional POW's who were still in Vietnam. He explained this group of individuals, whom he refused to name, gathered information that there were a number of groups of individuals, not associated with the Vietnamese Government, who have been

FOI 12-12-2  
b7c

holding American POW's over the past 20 years. [redacted] advised these groups of individuals were afraid to contact the Vietnamese Government for fear that the embarrassment it would cause would result in their deaths, as well as of the prisoners; and they were now willing to repatriate the prisoners for money. CLEMENT, apparently, is in Phnom Penh, Cambodia, and is ill and needs medicine that [redacted] would provide to him if [redacted] expenses were paid and he was reimbursed for some of the money he has expended in attempting to resolve this issue.

The undersigned then directed a series of questions to the three participants, such as why did they not turn these individuals in at the American Embassy in Cambodia; why is it that a large amount of money is required to repatriate these prisoners, as opposed to the humanitarian effort; why is it the Government of Vietnam is unaware of the holding of 24 Americans at various prison camps; if the descriptions [redacted] has given of Americans who are actually not held as prisoners, but are in remote areas of the jungle as guests, why could these Americans not leave on their own and find their way back to freedom (particularly if they are American pilots who are familiar with celestial and other types of navigation); and finally, why did [redacted] not report this series of incidents to the American Embassy in Phnom Penh.

[redacted] response to all these questions was that the Americans did not understand the Vietnamese way of thinking, and if they had surrendered CLEMENT to the authorities at the American Embassy in Phnom Penh, the news media would have then printed the story, and the Vietnamese who were holding the rest of the prisoners would be located and identified by the Vietnamese Government, killed, and the other Americans would have never been found.

[redacted] then turned over to the undersigned a videotape showing himself and a person he identified as CLAUDE CLEMENT in conversation. He also turned over a photograph dated March 15, 1993, which depicts a small room containing five individuals, including himself and a light-skinned male, whom he advises is

caucasian male with gray hair; wearing a sleeveless shirt; sandals; and two-toned, blue pants, he described as a photograph of Colonel ROBERTSON. Finally, he turned over a series of papers that allegedly describe some of the facts he has provided to the undersigned in regard to CLEMENT and ROBERTSON.

FOI 12-12-2  
b7c

[redacted] advised he was willing to take the undersigned, as well as any other Americans, to the location where CLEMENT and ROBERTSON are currently being housed. [redacted] was told the undersigned would report this information immediately to the appropriate Military authorities at the Pentagon in Washington, D. C., who are tasked with the responsibility of investigating

FOI 12/12/2006

the MIA-POW issue. He was advised it would take approximately 24 to 48 hours before any type of plan of action could be arranged. He was also advised that in the event he could not wait 24 hours and had to return to Cambodia to Phnom Penh, he should walk into the American Embassy in Phnom Penh, where there would be a team of individuals who could assist him in the repatriation of any Americans.

On April 29, 1993, [redacted] telephonically contacted the undersigned in regard to the status of the MIA issue. He was advised of the contents of the conversation between the FBI and Military authorities at the Pentagon. He was also told in detail how to contact American Military Investigators at the U. S. Embassy in Cambodia.

[redacted] indicated surprise at the facts showing that CLEMENT was not an American and that the photo of ROBERTSON had previously been submitted to the U. S. Government. [redacted] will re-check his sources and re-contact the FBI.

On instant date [redacted] U. S. Navy, assigned to the Pentagon, telephone (703) 284-0959, was telephonically contacted and provided information in regard to a report brought to the attention of the FBI in Seattle in regard to American MIA's or POW's in Vietnam.

The facts and circumstances were explained to [redacted] who indicated that the story sounded familiar, and the undersigned was referred to [redacted] a specialist in Southeast Asia matters. [redacted] was contacted at telephone (703) 908-2702 and indicated her address was 3100 Clarendon Blvd., Arlington, Virginia 22201. She advised she is with the Defense Investigative Analyst Section, handling POW and MIA matters. The facts and circumstances were explained to [redacted] in regard to the information provided to the FBI in Seattle by [redacted]. It included a description of the photographs, as well as the written documentation, concerning two American POW's, a CLAUDE CLEMENT and a Col. JOHN ROBERTSON. [redacted] advised that the names were familiar, and she would check her indices. [redacted] then directed [redacted] a GS-13 Intelligence Analyst for the Defense Intelligence Agency assigned to work with [redacted] telephonically contacted the undersigned and described the following scenario in regard to ROBERTSON and CLEMENT:

[redacted] advised that Col. ROBERTSON has been presumed dead many years and that an altered photograph, over the past 120 days, has periodically appeared in France, England, and the United States, depicting an individual described as a white male; with graying hair; about 50 years of age; wearing a sleeveless, blue, tunic-type shirt; light-blue trousers; and sandals; standing by a wall. This photograph has had glasses on it, glasses removed, and has had other people put in or out of the

FOI 12812-  
b7c

photograph. [redacted] advised the photograph has been displayed to ROBERTSON's relatives, and it has been determined that this is not identical to the missing flyer.

In regard to the [redacted] issue, [redacted] advised that [redacted] to their knowledge, is [redacted]

[redacted]

[redacted] stated there are a number of different groups of individuals, some of whom are well-meaning, who have been providing information, mainly oral information, to various Americans traveling overseas, as well as new services, and also to Southeast Asians, who are residing in the United States, about American POW's who are living in various camps. [redacted] advised they have not been able to document any incident, whatsoever; and, in fact, most of the incidents turned out to be fraud or hoaxes that are being perpetrated by individuals attempting to acquire money from the U. S. Government. [redacted] requested that all the documentary information the undersigned has obtained from the Cambodians be provided to him to add to their file. [redacted] noted that the American Embassy in Phnon Penh, Cambodia, has five individuals who are skilled investigators and have the capacity to speak in the various dialects and languages in Cambodia, who have been given carte blanche authority by the Government of Cambodia to investigate MIA or POW issues. Any further inquiries by various Cambodian groups can be directed either to [redacted] himself, or specifically to the investigating team that is currently assigned in Phnon Penh, Cambodia.

THE NAMES AND NUMBERS CAME FROM TWO SEPARATE DOG TAG TRACINGS SUPPLIED TO SOURCE. THE "COLLINS" DOG TAG IS QUITE LEGIBLE, BUT THE "HINSMAN" DOG TAG IS POORLY COPIED. THE NAME COULD POSSIBLY BE "KINSMAN, HAROLD F.", OR COMBINATIONS THEREOF.

THE FRIEND OF SOURCE'S UNCLE ALSO STATED TO HAVE KNOWLEDGE CONCERNING THE REMAINS OF "TEKRIU PHILLIP, EB 08A\_KR, 31 3 1971, US, 9 ROWS"; "GALANGO, KIT J., AF12754091, D NEG, CATHOLIC"; "DALLAK, PROVINCE (NO FURTHER INFORMATION PROVIDED)"; AND "THOMPSON, LAWRENCE, CS5I 002558, BAPTIST".

THE ABOVE ARE REPEATED JUST AS THEY APPEAR ON A XEROX COPY OF A HANDWRITTEN PIECE OF PAPER BROUGHT BACK BY SOURCE. SOURCE STATED THAT HE COPIED THE INFORMATION DIRECTLY FROM THE DOG TAGS HELD BY HIS UNCLE'S FRIEND. IT IS OBVIOUS THAT THE DOG TAG INFORMATION LEAVES SOMETHING TO BE DESIRED. THE REFERENCE TO AN INDIVIDUAL "DALLAK, PROVINCE" IS PROBABLY "DALLAK, PROVINCE".

KNOWN BY THE INTERVIEWING FBI SA TO BE AN ETHNIC CAMBODIAN NAME, AND WHEN ASKED IF THE SOURCE'S UNCLE WAS CAMBODIAN, SOURCE STATED THAT HE WAS IN FACT KHMER KROM, AND ADDED THAT HIS UNCLE AND THE FRIEND HAD FOUND THESE BODIES IN THE VIET NAM-KAMPUCHEAN BORDER AREA. BOTH THE UNCLE AND THE FRIEND HAD ATTEMPTED TO SELL THE BONES TO U.S. GOVERNMENT PERSONNEL IN KAMPUCHEA BUT WERE DENIED THE ABILITY TO DO SO BY BORDER GUARDS. SOURCE'S UNCLE IS INVOLVED IN [REDACTED]

THE JAW BONE, THE SKULL FRAGMENT AND THE RIB BONE ARE CURRENTLY IN THE POSSESSION OF THE SAN JOSE POLICE DEPARTMENT WHO ORIGINALLY CONTACTED SOURCE AND TOOK THE BONE FRAGMENTS INTO "PROTECTIVE CUSTODY". SF FBI, WILL SEND THE BONE FRAGMENTS TO THE JOINT CASUALTY RESOLUTION CENTER LABORATORY IN HAWAII PER FBIHQ DISSEMINATED INSTRUCTIONS.

LASTLY SOURCE STATED THAT HE IS CONTEMPLATING RETURNING TO [REDACTED] TX AREA TO RESUME HIS JOB THERE. SOURCE WILL ADVISE AN ADDRESS AND NEW PHONE NUMBER ONCE SETTLED THERE.

**ANALYSIS AND COMMENTS:**

SF OPINES THAT SOURCE IS SINCERE IN HIS COMMENTS AND IS REGURGITATING WHAT HE WAS TOLD BY THE "COLONEL" AND THE "FRIEND OF THE UNCLE". SOURCE ASKED FOR NO REMUNERATION OR

COMPENSATION, BUT DID INQUIRE ABOUT WORKING FOR THE U.S. GOVERNMENT, AND SPECIFICALLY FOR THE FBI. SOURCE WAS TOLD THAT THERE WERE NO POSITIONS CURRENTLY BEING FILLED EXCEPT EMERGENCY CONTRACT LINGUIST POSITIONS AND SOURCE ADVISED THAT THE PAY WAS [REDACTED] COMPARED TO WHAT HE MADE IN [REDACTED]

*CONFIDENTIAL*

SOURCE HAS A LOT OF HOLES IN HIS STORY THAT NEED TO BE FILLED IN THE OPINION OF THE FBI AND NIS. WHY SOURCE DIDN'T INQUIRE OF NAMES AND CONTACT POINTS FOR THE "COLONEL" AND THE "UNCLE'S FRIEND" IS SOMEWHAT DISCONCERTING TO THE INTERVIEWING AGENTS. SOURCE ALSO MADE THE OFFER TO LEAD A GOVERNMENT OFFICER BACK TO HIS VILLAGE AND REINITIATE CONTACT WITH THE "COLONEL" AND THE "UNCLE'S FRIEND" IF THE U.S. GOVERNMENT WILL PAY HIS WAY.

THE POLICY OF THE U.S. GOVERNMENT NOT PAYING FOR REMAINS OR INFORMATION WAS LAID OUT TO SOURCE ON SEVERAL OCCASIONS DURING THE INTERVIEW. SOURCE KEPT COMING BACK TO THE ISSUE OF THE "COLONEL" AND THE "UNCLE'S FRIEND" HAVING TO BE PAID.

SF ALSO LEARNED THAT SOURCE HAD BEEN INTERVIEWED VERY BRIEFLY ON THE PREVIOUS EVENING BY THE SJPD OFFICERS WITH WHOM SOURCE FIRST CAME INTO CONTACT. AFTER THE FBI AND NIS

PAGE FOUR DE FBISF 0040 UNCLAS

QUESTIONING, SEVERAL ITEMS CHANGED IN SOURCE'S STORY SUCH AS THE FACT THAT THERE WERE NOW TWO INDIVIDUALS INVOLVED IN THE BODY RECOVERY, WHEN THE NIGHT BEFORE ONLY THE COLONEL WAS MENTIONED AS HAVING ALL OF THE REMAINS.

TEXT: ON/ABOUT 3/22/93, [REDACTED]

[REDACTED] A VIETNAMESE EMIGRE WHO JUST RECENTLY ARRIVED IN THE U.S. UNDER THE H.O. PROGRAM OF THE ORDERLY DEPARTURE PROGRAM CONTACTED THE SAN FRANCISCO (SF) OFFICE OF THE FEDERAL BUREAU OF INVESTIGATION (FBI) THROUGH A RED CROSS RESETTLEMENT WORKER, AND REQUESTED THAT AN FBI SPECIAL AGENT (SA) CONTACT HIM. THE NATURE OF THE REQUESTED CONTACT WAS THAT MR [REDACTED] HAD INFORMATION CONCERNING THE WHEREABOUTS OF MISSING U.S. MILITARY SERVICEMEN IN VIET NAM. MR [REDACTED] WISHED TO PASS THIS INFORMATION ON TO THE U.S. GOVERNMENT AND DID NOT ASK FOR SPECIAL PAROLE OR REMUNERATION.

[REDACTED] ADVISED DURING INTERVIEW THAT HE HAD PREVIOUSLY HELD THE POSITION [REDACTED] IN THE SOUTH VIETNAMESE GOVERNMENT AND AS SUCH HE HAD UNDERGONE APPROXIMATELY [REDACTED] OF REEDUCATION FROM [REDACTED]. SOURCE STATED HE WAS IMPRISONED IN [REDACTED] AND [REDACTED] FACILITIES IN WHAT WAS SOUTH VIET NAM. (SOURCE WAS DEBRIEFED IN THE VIETNAMESE LANGUAGE BY AN ETHNIC VIETNAMESE SA AS [REDACTED])

██████████ ADVISED THAT UPON RELEASE IN 1985 IT WAS A WIDELY HELD RUMOR IN THE SRV THAT THE U.S. GOVERNMENT WOULD PAY UP TO \$10,000 FOR EVERY KIA/MIA SET OF HUMAN REMAINS TURNED OVER TO THE U.S. SOURCE ADVISED THAT IN 1985 PEOPLE WERE SCRAMBLING ALL OVER VIET NAM LOOKING FOR SUCH HUMAN REMAINS. SOURCE STATED THAT THIS RUMOR WAS KNOWN TO MEMBERS OF THE SRV GOVERNMENT AND THE SRV WAS ACTIVELY INVOLVED IN THE SEARCH OF CRASH SITES TO LOCATE AND ACQUIRE U.S. HUMAN REMAINS FOR EVENTUAL RESALE TO THE U.S. GOVERNMENT. MR. ██████████ STATED THAT MUCH OF THIS WAS DONE ON BASED ON PERSONAL GREED AND NOT ANY DESIRE TO ASSIST THE U.S. AND THE SRV IN RESOLVING THE POW/MIA STUMBLING BLOCKS TOWARDS RECOGNITION AND LIFTING OF THE EMBARGO.

IT WAS SUBSEQUENTLY STATED BY MR. DO THAT THIS RUMOR WAS FOUND TO BE FALSE. MR. ██████████ THEN STATED THAT THE SRV GOVERNMENT MADE AN EFFORT TO RECOVER ANY OF THOSE REMAINS FOUND AND KEPT BY THE LOCAL POPULACE IN HOPES OF USING THEM AS BARGAINING CHIPS IN POLITICAL NEGOTIATIONS. MR. ██████████ ADVISED THAT MANY SUCH REMAINS WERE TURNED OVER TO THE SRV GOVERNMENT, BUT ALSO

PAGE FOUR DE FBISF 0024 UNCLAS

ADDED THAT MANY WERE NOT TURNED OVER. SOURCE STATED THAT THOSE REMAINS THAT WERE TURNED OVER OR CONFISCATED BY THE SRV WERE TURNED OVER PIECEMEAL TO THE U.S. GOVERNMENT AND THE REST WERE STORED AT A LOCATION UNKNOWN TO SOURCE.

SOURCE STATES THAT AN ASSOCIATE THAT SOURCE IDENTIFIED AS

[REDACTED]  
[REDACTED] KNEW OF MANY SUCH CONFISCATIONS AND HIDING OF REMAINS. SOURCE ADDED THAT MR. [REDACTED] IS DUE TO COME TO THE U.S. AS WELL IN 4-6 MONTHS UNDER THE H.O PROGRAM.

SOURCE STATED THAT MR. [REDACTED] CAN LEAD DIA INVESTIGATORS TO AT LEAST 2 HIDDEN BODY BURIAL SITES OF U.S. SERVICEMEN AND POSSIBLY PROVIDE INFORMATION REGARDING SEVERAL OTHER MIA'S. MR. DO STATED THAT MR. [REDACTED] HAD ASKED S-1 TO CONTACT THE U.S. GOVERNMENT UPON MR. [REDACTED] ARRIVAL IN THE U.S. AND TO RELAY MR. [REDACTED] WILLINGNESS TO ASSIST THE U.S. GOVERNMENT PRIOR TO MR. [REDACTED] DEPARTURE FROM THE SRV.

SOURCE DENIED EVER HAVING SEEN ANY REMAINS THAT MR. [REDACTED] STATES TO HAVE IN HIS POSSESSION, BUT DID STATE THAT MR. [REDACTED] HAD NUMEROUS DOG TAGS IN MR. [REDACTED] POSSESSION. SOURCE COULD NOT CORRELATE THE DOG TAGS TO THE 2 SETS OF REMAINS THAT MR. [REDACTED] STATES THAT HE HAS HIDDEN.
