MEMORANDUM FOR MR. TOLSON
MR. BELMONT
MR. ROSEN
MR. SULLIVAN
MR. DE LOACH

I called President Lyndon B. Johnson and told him I had just talked to Nelson Rockefeller, Governor of New York, who was in Wyoming. I stated Mr. Rockefeller had told me that the State Highway Patrol has been maintaining close relations with the Commissioner of Police; that the Commissioner of the State Highway Patrol is a former Agent of the Bureau and I had recommended him to the Governor several years ago.

I stated Mr. Rockefeller had told me quite confidentially that they can muster 5,000 men in two hours if necessary, but he is very reluctant about using the National Guard and has been resisting it; that he had received wires from Farmer demanding troops be brought in and he has resisted it and does not intend to do that. I stated Mr. Rockefeller is returning from Wyoming on Wednesday. I stated that is significant as Farmer has claimed that they have not heard from the Governor. I stated the Mayor of New York when he left Madrid this morning stated he did not think it was necessary to call in the Federal troops as he had full confidence in the New York Police. I stated my New York Office has told me that the New York Police have gone back on regular 8-hour duty which indicates that they think the worse is over.

I stated Mr. Rockefeller also told me confidentially for NY personnel information that when he was in California for the primary he was told by some of the Goldwater followers that there were going to be some race riots this fall and Rockefeller told them there may be but not in New York and the reply was to wait and see as there would be plenty in New York also. I stated he feels there may be some of these extremists of the right who are not particularly satisfied with the way things are and may get mixed up in some of these riots. The President said for us to watch it. I stated I have notified the office to keep an eye on both the communists and the right.

I told the President I have a call in for Commissioner Murphy and the Mayor when he arrives back in New York. The President told me that he had the statement cleared with the Acting Mayor. I mentioned that Mr. Rockefeller hoped the statement also mentioned the State and I told that I thought it did.

I called Governor Nelson Rockefeller of New York at Jackson Hole, Wyoming and I told him I was calling at the suggestion of the President in regard to the situation in New York City. I stated the President had asked me to keep my eye on it from the Federal angle of any violation under the Civil Rights Statute and to get in touch with him, the Mayor, and the Commissioner of Police to give assurance that if we can be of any assistance or help in enforcing the law, we stand ready to do it. Mr. Rockefeller stated he appreciates it. He stated he had been in telephonic communication with his people who are working closely with the Commissioner of Police. He stated they have already established close ties, that is the State Police, with Commissioner Murphy and they can mobilize about 5,000 men in less than two hours but he wants to avoid that as it is the last thing he wants to do. He stated their indications are that this has been inspired by left-wing labor groups. He stated they want to keep as low as they can but work behind the scene with the local authorities. I told Mr. Rockefeller that was exactly the feeling we have and that the President has. I stated at first the President was inclined to have me go to New York and confer there and I thought that would be concentrating too much attention on it. I stated this is being pretty well handled by local authorities and it is a tense situation. I stated the Mayor is due back at Idlewild at 4:50 PM and I intend to talk to him. Mr. Rockefeller stated he would be back Wednesday.

I told Mr. Rockefeller he can reach me here any time and we have gotten along fine with the local authorities and the Commissioner has a tough job. I stated the Commissioner has done a masterful job under difficult circumstances.

Mr. Rockefeller asked if anyone at the Federal level is going to say anything about the kind of encouragement this is getting from the Mayor. I told him I did not think so at the present time; that the President is issuing a statement this afternoon dealing with lawlessness and that it must stop.

Memorandum for Messrs. Tolson, Belmont, Rosen, Sullivan, DeLoach

Federal Government stands ready to back the local authorities and he has been in touch through me with the local authorities to give that assurance. I stated I have been keeping the President advised as I send him a summary each day on the racial situation in Mississippi and Georgia, where there is the same communist problem, and also New York so he is well informed on the identities of these individuals like Martin Luther King and Bayard Rustin. I stated I am making it a point to keep the President informed on the background of these individuals. I stated the President is being flooded with telegrams demanding he send in the Federal troops and he had read several to me and they obviously were written by extremists. I stated that is the last thing he wants to do or intends to do. Mr. Rockefeller stated that James Farmer has been after him to use the National Guard and that is the last thing they really want and Farmer has now withdrawn his request that the State use the National Guard. I stated I thought it played right into their hands to do it. I stated I urged the President not to do it in Mississippi; that I went down to Mississippi myself and saw the Governor and the State Attorney General and my feeling down there as in New York is that the FBI is merely to aid and assist in any way we can; that it is purely a local function except when there is a violation of a Federal Statute.

I stated we got an order yesterday to investigate the police lieutenant who killed the colored boy the other night under the Civil Rights statute and I got hold of the Attorney General and that I thought it was wrong as they have called a grand jury and for that reason I have called my people off from investigating charges of brutality. I stated if the District Attorney or the grand jury does not function as it should, we can take it into the Federal jurisdiction, but I think it is wrong to make it more difficult for the Commissioner by harassing his officers when he is doing everything he can to control them and the Attorney General concurred.

Mr. Rockefeller stated that if the President issues a statement that he is in touch with local authorities, he would appreciate it if he includes the state. I stated he did.

Mr. Rockefeller stated there was one other thing he wanted to tell me in confidence. He stated when he was in the California primary, he was talking to some of the Goldwater people and they said there were going to be

July 21, 1964

race riots this fall and it was going to be embarrassing. Mr. Rockefeller stated that he said there were not going to be any in New York and they said that is what he thought, that they were going to see to it that they take place. Mr. Rockefeller stated he thought we have to look at the left wing closely but we also have to look at the right wing, too.

I stated that was very true, that we have extremists to the right, such as the Klan and we have to be alert to extremism on the left as well as on the right.

Mr. Rockefeller commented that former SAC Cornelius has done a superb job for him as State Police Commissioner and I told him I was glad he was and that we have been working closely with him. Mr. Rockefeller stated New York is getting one of the best State Police organizations anywhere under Mr. Cornelius' leadership. Mr. Rockefeller stated he was so grateful for all that I have done for the country and for my men who have left the Bureau and now are playing an important part in State affairs such as the Liquor Authority. I told him any time we can be of help, to call on me.

Mr. Rockefeller stated they will keep quiet and work the same as we are to support the city.

George Lincoln Rockwell Party

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader," a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second "the dissemination of our program and the truth about the Party;" third "organizing the people who have been converted to our propaganda;" and fourth "the attainment of power through the voters of the newly-won masses."

On February 17, 1964, Karl Rogers Allen, Jr., former Deputy National Commander of the ANP, advised that George Lincoln Rockwell believes that he has completed the first two phases in his struggle for power and is now well into the third phase. Allen said, however, in his opinion, Rockwell has only completed phase one.

**AMERICAN NAZI PARTY
OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL
SOCIALISTS, ALSO KNOWN AS THE
GEORGE LINCOLN ROCKWELL PARTY**

In his book "This Time the World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second "the dissemination of our program and the truth about the Party;" third "organizing the people who have been converted to our propaganda;" and fourth "the attainment of power through the votes of the newly-won masses."

AMERICAN NAZI PARTY
OF THE WORLD UNION OF

SOCIALISTS, ALSO KNOWN AS THE
GEORGE LINCOLN ROCKWELL PARTY

On February 17, 1964, Karl Rogers Allen, Jr., former Deputy National Commander of the ANP, advised that George Lincoln Rockwell believes that he has completed the first two phases in his struggle for power and is now well into the third phase. Allen said, however, in his opinion, Rockwell has only completed phase one.

"MINUTEMEN"

The "Minutemen" was organized in June, 1960. Its present headquarters are Norborne, Missouri, and ROBERT B. DE PUGH, Norborne, Missouri, is the national coordinator. Statements by DE PUGH and literature distributed by the organization in the past indicated its purpose to be the resistance to, and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

The Kansas City Star Newspaper, Kansas City, Missouri, has on numerous occasions, carried various articles concerning DE PUGH and the "Minutemen," wherein it was stated that members of the organization participate in maneuvers utilizing guerrilla tactics with machine guns, mortars, grenades, and other firearms.

DE PUGH has publicly stated on numerous occasions that the "Minutemen" as an organization does not buy or store arms or ammunition; however, the individual members of the organization maintain arms and ammunition, which is their constitutional right.

"Minutemen" literature mailed to members in the past has furnished instructions in the use of explosives and has also given details for the making of explosive compounds from such readily accessible ingredients as a common fertilizer, ammonium nitrate.

In May, 1966, a confidential source advised that ROBERT B. DE PUGH, in a recent message to the national coordinators of "Minutemen," announced the "Minutemen" organization was being divided into two separate bodies. One group was to be composed directly of members who have been able to maintain complete secrecy of their identity, from both the public and from Government investigative agencies. The second group was to be made up of all members who have been publicly identified, or who there is reason to believe have been identified as "Minutemen" members by an agency of the Federal Government.

~~CONFIDENTIAL~~

"MINUTEMEN"

In announcing the reorganization, DE PUGH stated that a complete resistance movement involving total resistance, must involve not only guerrilla warfare and not only resistance warfare, but that it must involve psychological and political warfare as well.

DE PUGH stated that what he was proposing and trying to effect was to build a political party that as such would have legal immunity, which would serve as a communications network for patriots that have other interests, and among whose members these other patriots can maintain their secrecy of identity. All future correspondence and communications on the national level will be done in the name of the Patriotic Party. DE PUGH also advised that if ever called to court, as he expected to be in the future, he was going to state that as far as the national organization is concerned, the "Minutemen" had ceased to exist.

DE PUGH, in the announcement, continued to the effect there is no reason why at some future date, when the environment is more conducive to military action, that the Patriotic Party cannot be used once again to pull together various local organizations into one national organization. By acting both as a front and as a means of coordination, the Patriotic Party can be invaluable in the building of a future resistance movement.

CONTACTED AT ALBANY ON FOUR FOUR SIXTY SEVEN. GOV R ADVISED THAT
CALL WAS MADE AT SPECIFIC INSTRUCTIONS OF MR. HOOVER TO INSURE
THAT HE WAS FULLY ACQUAINTED WITH FACTS CONCERNING UNFOUNDED AND
UNWARRANTED ATTACKS BEING MADE BY ELIOT LUMBARD UPON THE FBI IN
REGARD TO OUR EFFORTS IN COMBATTING ORGANIZED CRIME, THE FBI
DESSEMINATION PROGRAM AND OUR COOPERATION WITH FEDERAL, STATE AND
LOCAL AGENCIES. GOV R WAS A LITTLE SURPRISED AND SAID

"OH I THOUGHT THE CONTROVERSY WAS ABOUT THE USE OF MICROPHONES".
GOV R WAS ADVISED THAT LUMBARD DID TRY UNSUCCESSFULLY TO EMBARRASS
THE BUREAU AT THE RECENT NATIONAL CONFERENCE ON CRIME CONTROL HELD
IN WASHINGTON, BY INTIMATING THAT THE FBI FAVORED EAVESDROPPING AND
WIRE TAPPING CONTRARY TO THE DESIRES OF THE ATTORNEY GENERAL.

GOV R WAS TOLD THAT A BUREAU REPRESENTATIVE CLARIFIED THE BUREAU'S POSITION FOR LUMBARD. IT WAS POINTED OUT TO GOV R HOWEVER THAT THE ^IDISCUSSION OF EAVESDROPPING AND MICROPHONES WAS ONLY INCIDENTAL TO LUMBARD'S ALLEGATIONS AS SET FORTH PREVIOUSLY. THE ACCOMPLISHMENTS OF THE BUREAU AND PARTICULARLY NEW YORK STATE IN REGARD TO ORGANIZED CRIME AS WELL AS THE FBI DESSEMINATION POLICIES WERE EXPLAINED IN DETAIL TO GOV R. HE WAS TOLD THAT IF THERE WAS ANY DOUBT IN HIS MIND ABOUT THE EXTENT AND EFFICACY OF THE FBI PROGRAMS IN THESE FIELDS IN NEW YORK STATE, HE HAD ONLY TO TALK TO SUPT. ARTHUR CORNELIUS OF THE NEW YORK STATE POLICE.

I THEN TOLD GOV R THAT THE DIRECTOR WROTE A LETTER TO LUMBARD SETTING THE RECORD STRAIGHT IN REGARD TO HIS ALLEGATIONS. A COPY OF THE LETTER WAS HANDED TO GOV R. GOV R WAS THEN TOLD THAT IF LUMBARD PERSISTED IN HIS ATTACKS ON THE FBI THE DIRECTOR MAY BE FORCED TO A PUBLIC REFUTATION. GOV R HESITATED FOR A FEW MOMENTS AND SAID "I DONT THINK THE DIRECTOR WILL HAVE TO DO THAT". I HAVE LUMBARD'S RESIGNATION ON MY DESK AND YOU MAY TELL MR. HOOVER, FOR HIS CONFIDENTIAL INFORMATION, I AM GOING TO ACCEPT IT.

THEN HE ADDED, I AM DEFINITELY NOT GOING TO APPOINT HIM AS HEAD OF MY STATE CRIME CONTROL COUNCIL (NCCC). HE SAID LUMBARD IS A SINCERE DEDICATED INDIVIDUAL BUT IS COMPLETELY LACKING IN TACT. I POINTED OUT TO GOV R THAT WHEN HE DOES MAKE TACTLESS STATEMENTS HE IS HURTING THE IMAGE OF THE GOV. BECAUSE HE IS NOT BASHFUL IN MAKING IT KNOWN AT THESE CONFERENCES THAT HE IS THE GOVS. PERSONAL REPRESENTATIVE. GOV R STATED "WELL HE HAS HURT HIS IMAGE MORE THAN HE HURT MINE". HE THEN REPEATED; I AM DEFINITELY NOT GOING TO APPOINT HIM AS HEAD OF NCCC. GOV R DID NOT ELABORATE FURTHER ON THIS STATEMENT BUT IT IS BELIEVED HE WAS REFERRING TO A BILL HE JUST SIGNED INTO LAW CREATING WITHIN THE EXECUTIVE DEPARTMENT A STATE CRIME CONTROL COUNCIL COMPRISED OF HEADS OF VARIOUS STATE CRIMINAL JUSTICE AGENCIES AND OTHERS. THE CHAIRMAN OF THE COUNCIL IS TO BE APPOINTED BY THE GOVERNOR. THE CHAIRMAN SHALL DIRECT THE WORK OF THE COUNCIL AND SHALL BE THE CHIEF EXECUTIVE OFFICER OF THE COUNCIL. RUMOR IN ALBANY INDICATED THAT LUMBARD WAS SEEKING THIS JOB WHICH WILL PAY A SUBSTANTIAL SALARY.

END PAGE THREE

PAGE FOUR

GOV R STATED I WANT YOU TO BRING A MESSAGE BACK TO MR. HOOVER. HE STATED I HAVE KNOWN MR. HOOVER FOR MANY YEARS FROM THE TIME I WAS IN WASHINGTON AT WHICH TIME WE SAW EYE TO EYE ON MANY CONTROVERSIAL ISSUES. I STILL HAVE THE GREATEST ADMIRATION AND RESPECT FOR MR. HOOVER AND THE TREMENDOUS JOB HE IS DOING FOR THE AMERICAN PEOPLE. GOV R WAS ASSURED OF THE MUTUAL RESPECT MR. HOOVER HAD FOR HIM. GOV R INDICATED THAT HE IS FULLY AWARE OF THE BUREAU'S EFFORTS IN THE FIELD OF ORGANIZED CRIME DISPIE THE FACT THAT HE FEELS THAT THE DIRECTOR IS FIGHTING A TOUGH UPHILL BATTLE ESPECIALLY IN REGARD TO MICROPHONES AND EAVESDROPPING. HE SAID "I DO NOT SEE HOW THE FBI CAN GET THE JOB DONE WITHOUT WIRETAPPING". GOV R INDICATED THAT HE IS FOR WIRETAPPING; THAT WE NEED IT AND THAT MR. HOOVER CANNOT OPENLY TAKE THIS SAME POSITION AS IT WOULD BE CONTRARY TO THAT HELD BY THE ATTORNEY GENERAL.

IN PASSING GOV R STATED THAT HE WAS DISAPPOINTED IN THE BUREAU'S REFUSAL TO PARTICIPATE IN HIS CONFERENCE ON ORGANIZED CRIME HELD AT OYSTER BAY IN NINETEEN SIXTY SIX. IT WAS POINTED OUT TO GOV R THAT WE WANTED NO PART OF ANYTHING RUN BY LUMBARD BECAUSE OF HIS ANIMOSITY

END PAGE FOUR

PAGE FIVE

TOWARDS THE FBI. THE GOV. COMMENTED THAT THIS WAS IN NINETEEN SIXTY SIX. IT WAS POINTED OUT TO THE GOV. THAT THIS ANIMOSITY OF LUMBARD FOR THE BUREAU IS NOT SOMETHING THAT JUST STARTED. HE WAS ADVISED THAT IT IS SOMETHING MORE DEEP SEATED AND GOES BACK FOR SEVERAL YEARS.

THE GOV. SAID TO BE SURE TO THANK THE DIRECTOR FOR HIS USUAL THOUGHTFULNESS. HE READ THROUGH THE DIRECTOR'S LETTER TO LUMBARD RATHER HURR^{LY}LY AND POINTED OUT IT WAS QUITE REVEALING AND THAT HE WANTED TO GO OVER IT MORE CAREFULLY AT HIS LEISURE.

Dear Mrs. Stegall:

I thought the President might like to know that we have received information from a confidential informant who has furnished reliable information in the past indicating that Governor Nelson Rockefeller of New York recently contacted Coretta King, widow of the late Martin Luther King, Jr., who was President of the Southern Christian Leadership Conference at the time of his death. Governor Rockefeller asked Mrs. King if the Southern Christian Leadership Conference needed money or if she personally needed money. She referred Governor Rockefeller to Andrew Young, Executive Vice President, Southern Christian Leadership Conference, on both questions.

Governor Rockefeller also extended an invitation to Mrs. King and her family to get together with his family when things settle down.

The above information is being furnished to the Attorney General.

Sincerely yours,

Dear
Miss

May 30/68 b7c

Dear Miss Carter,

Please send me another forecast - I
need your help again, July 12, 1920

There should be a death sign in ^{b7c}
my near future - either for me or for ^(again) one
of my loved ones. I very nearly got it ^{one}
night last Oct. - from my husband, whom
I married under extreme duress ^{b2}
to save 3 lives permanently - I thought ^{b7c}
He is the nephew of N.Y. State's Female Hitler ^{b7c}
has been an exception to the laws of the U.S.A.
for the last 30 yrs or so, I have not been ^{b7c}
able to get him into Court. Everytime he was
scheduled to appear, Schenectady rigged-up
an illegal scheme or fraud to keep him out
of court. Last June, Albany got in on it ^{b7c}
Gov. Rockefeller's Inv. Com. was supposed to
have given me an app't with their Chief Inv.
to discuss my complaints against Schenectady
but, everytime I called to make the app't,
I was given the same vague stall. The
Inv. Com. is the best protection the Schenectady
system could possibly have. - Schenectady
did not need any added protection from Albany
I am taking for granted that you will
study Gov. R's chart in order to predict

his chances in the Presidential race. If
there is a bad sign in Gov. R.'s chart, the
bad sign is ^{my husband,} expert marksmen
The Rockefeller name has been on
"shoot 'em in the back" list ever since he
was a boy, & then too [redacted] has more than
enough "ground-work" all set for his master
plan - which is a fantastic shooting spree
"All over Schenectady & Albany, all the way
up to the Gov's office". He is banking on
that mass horror to put his picture on the
front page of every newspaper & magazine
in the whole world" & to put his name into
history books"

Last Nov. I typed up his master plan,
just as he had bragged it to me many times.
Called the D.A.'s office, was told if I would
send them a copy, they would send it to Gov. R.
& in that way Gov. R. definitely would get it.
I put it in the mail immediately & was only
too happy to cast off that burden. After
that, Albany pulled 2 more illegal strings
to keep [redacted] out of court. I was not
surprised, as [redacted] has got the "American
Justice" monsters so completely trapped,
they cannot afford to put him on the witness
stand - which is exactly how he ordained
(about 30 yrs ago) it would be some day.
His ordinances always come to pass eventually.

I am sure [redacted] is keeping track of Gov R's whereabouts through the newspapers; years ago, when Bobo R. got a big settlement; [redacted] was so insanely jealous of her, I was sure he would find a way to "fix Bobo R's happiness so good, shall never be happy again because she won't have nothin' to be happy about." He studied every ^{newspaper} item in Bobo, & because he could not scheme out a way to get to her & "fix" her, he believed she had "outsmarted" him again - which was the 3rd extra grudge Bobo gave him against the Rockefeller's. He "never forgets" or "forgives". I could not convince him that Bobo R. was not even aware of his existence - He hated for the ^{millions} Rockefeller's especially, is so deep & so old, Gov R. never will be the Pres. of the U.S.A. if [redacted] can help it. He is a Resident of [redacted] back-yard which makes it perfect for [redacted]

according to "Criminal Psychology", every criminal sub. consciously wants & needs to be caught & punished. He won't give himself up. The longer it takes the law to catch him, the more frustrated he gets. When he can no longer take the frustration, he commits a very rash crime to make pure the law can't miss him. In [redacted] case, because the law & the court have had to break laws to save him from being caught

bx

bx

bx

and punished, he is extremely frustrated
 In his sub-conscious he must know that
 only when he carries out his gruesome
 master plan & assassinate the Gov of N.Y. ^{State}
 will he be caught & punished. His sub-
 conscious desire will be satisfied at the
 same time that his conscious desire for
 world-fame & a place in history will
 be satisfied. He always gets more than
 one abnormal, sadistic benefit out of
 every "very smart illegal scheme to
 out-smart" he puts over. I learned from
 experience years ago, that it is wise to
 live in fear of the omnipotent Ordainer
 of grief, destruction & death. My fear of
 him & my intuition are the only protection
 my loved ones & I have ever had or ever
 will have. ^{It can't last much longer.} I am so thoroughly disgusted with
 "American Justice", I have decided to re-
 nounce my worthless U.S. Citizenship
 that is the only right "American Justice"
 will ever give me, and it will cleanse
 my soul of "American Justice" before I go
 to my early grave - illegally. I used to
 be deeply patriotic!! and deeply religious!

Thank you & Best Wishes

It is possible that it has occurred
 to [redacted] that he could give
 the Kennedys another tragedy. [redacted]
 He loves to create dramas
 for others. He never gets hurt. (See)
